CHEST TO SEEK \$22,000; OPEN DRIVE OCT. 7TH

The board of directors of the Gettysburg Community Chest, Monday evening set \$22,000 as the goal for the annual financial campaign to support six local agencies and set October 7 as the date to open the fund drive. The board met in the L. E. Smith News Agency office, N. Stratton St.

The goal is \$1,000 higher than the \$21,000 quota of a year ago and represents increases asked by several of the agencies. This year the quota includes \$3,500 for the Adams County Free Library, an increase of \$250; \$1,500 for the Civic Nursing Association, \$300 more than last year; \$3,000 for Boy Scouts, an increase of \$200, and \$2,500 for the Girl Scouts, an increase of \$500.

Remaining the "same as last year" are \$6,000 for the Gettysburg Recreation Association and \$3,000 for the YMCA.

Also in the budget is \$2,500 for expenses and the contingency fund. \$250 is abandoned.

A \$250 amount set aside last year for the USO and other state agencies has been dropped.

Campaign Chairman Gordon Webster explained the increases granted to the four agencies "are necessary. They have been operating at the most economical figure possible. But the price of everything has gone up and they simply can no longer provide the same service as before for the same amount given previously. In addition all have expanded services while receiving the same amounts. It has reached the point where they must be given more support or curtail their programs."

Webster said the goal "can be reached if people will use the pledge system. We can all give \$5 if we pay it over a year's time. And we must have those \$5 donations to meet our goal."

Club Members To Help

Members of service clubs will again serve as solicitors. Plans call for the club to meet at a joint "kick off" dinner on Monday evening, October 7, after which they will start their solicitations.

President LeRoy E. Smith presided at the meeting. Preliminary plans were completed for such portions of the drive as "industry," "special gifts," etc.

Final plans for the drive will be worked out during the month.

YORK SPRINGS RESIDENT DIES THIS MORNING

Mrs. Alice Catherine Myers, 67, wife of George N. Myers, York Springs, died at her home this morning at 4:30 o'clock from a complication of diseases after having been in ill health for two years.

She was a native of Adams County, a daughter of the late David and Salvanna (Deardorff) Yohe. Mrs. Myers was a member of the York Springs Lutheran Church, a life-long member of the Willing Workers Society of the church, and the Ladies' Auxiliary of the York Springs Fire Co. She was married 35 years, during which she resided in York Springs.

Funeral on Thursday

In addition to her husband she is survived by three children, Paul, Hanover; Arthur, Carlisle, and Miss Viola Myers, at home; four step-children, Mrs. Ethel Sager and Mrs. Mary Shirley, both of York Springs; James Myers, New York City, and Miss Mabel Myers, Harrisburg; seven grandchildren; two brothers, John Yohe, Wellsville, and Luther Yohe, Red Lion; two sisters, Mrs. David Graft, Hanover, and Mrs. Allen Schroyer, East Berlin.

Funeral services Thursday at 2 p.m. at the Pittenuff Funeral Home, York Springs, conducted by her pastor, the Rev. Norman L. Bortner. Interment in Sunnyside Cemetery, York Springs.

Friends may call at the funeral home Wednesday evening from 7 to 9 o'clock.

Pays \$10 Fine For Not Having License

Allen Luther Cromwell, who claims Winchester, Va., as his residence and a S. Washington St. address as a place of business, was arrested by state police Monday for failing to have a vehicle operator's license as required by Pennsylvania law. He paid a \$10 fine and costs before Justice of the Peace Robert P. Snyder.

Cromwell operates a pest control business in several states. Pennsylvania law requires non-residents to register their vehicles and have a state operator's license if they operate in Pennsylvania for 30 days within a calendar year.

Council Meeting Date Is Postponed

A postponement in the date for the annual meeting of the Adams Council Community Services Council from September 19 to Thursday, September 26, was announced today. The meeting will be held at 10 a.m. at the VFW home on E. Middle St.

The charge was made because of open hearings to be held next week at Harrisburg on problems of the aging which some of the county folk expect to attend.

A luncheon meeting of the board of directors of the council will be held Wednesday, September 25, at the VFW home.

PREPARE BAN ON DUMPING REFUSE IN MT. JOY TWP.

The Mt. Joy Twp. supervisors will join the list of those political subdivisions armed with anti-dumping ordinances.

Attorney Daniel E. Teeter, solicitor for the Mt. Joy supervisors, today was asked to submit an appropriate resolution to the supervisors forbidding dumping of garbage and refuse in general within the township and prohibiting the operation of dumps within the township without a specific license from the supervisors.

Orville Newman, secretary to the Mt. Joy supervisors, said today the supervisors asked their attorney to prepare a resolution for their consideration at their meeting Friday. The supervisors, President Clarence Myers, Charles Durbin and Albert Krug, are expected to study the resolution at their October 4 meeting.

Results From Complaints

Newman said the decision to "secure a dumping ordinance" came about as a result of a number of complaints to the supervisors where the general public apparently has started setting up dumps on private property without any consent from the owners. They're just coming out and tossing trash onto the land. A second reason he said was "the usual crop of rumors that someone might set up a dump in the township. If such a possibility occurs the supervisors want to be in position to prevent any misunderstanding. They want to be able to say yes or no to any such request if it ever comes to them."

He said that there has been no "more than rumors" concerning any possible formal dump establishment but that "people who own land and find other unknown persons dumping anything on it are likely to be angered about it, and they have a right to protection." State law provides protection for property owner from indiscriminate dumping by others but the supervisors believe that a special ordinance could "put more teeth into it and thus help break up this abuse."

SOME APPEALS BEING DROPPED

Appeals from property re-assessments being heard by the county commissioners are scheduled to end Monday, and possibly sooner, depending on how many of the 75 asking for appeals appear for hearings.

Originally 82 had been scheduled but two withdrew leaving 20 to be heard Monday, first day of the hearings.

This morning 10 appeared for hearings at the courthouse and only 16 are scheduled for Friday. Originally 21 had been listed for that date, but five have notified the commissioners they do not plan to be present.

No decisions were reached by the commissioners following any of the hearings, with the county board deciding Monday morning to hold decision until the end of the appeals and then decide at one time on all of the appeals.

The appeals so far have included several in which mistakes were made in assessment reports, which will be remedied when the appeals are ended, the commissioners said.

LEADERS TO MEET

A meeting of local leaders of local leaders of county extension home economics clubs will be held September 17 at the Adams Electric Cooperative, near of N. Stratton St. at 1:30 p.m. Mrs. Helen D. Tunison, associate county extension home economist, announced today. Projects including home management, home furnishings, child development and family relations, clothing, consumer education and foods will be discussed.

HAMME TO HEAD KIWANIS CLUB, RIEGLE SPEAKS

Prof. Herbert G. Hamme was elected president of the Gettysburg Kiwanis Club at their regular meeting at Banker's Restaurant Monday evening. Other officers elected were Robert McCoy, 1st vice president; J. William Ditzler, 2nd vice president, and the following directors, Mark Gingrich, H. Wayne Cluck, Rev. Harry Fehl, and Francis Rider. E. W. Mangle, Hanover, was a guest at the meeting.

H. Edgar Riegle, Gettysburg superintendent of schools, was the speaker of the evening. He told the Kiwanians that the schools are doing a better job now than ever before and showed that statistics of test scores as far back as 1844 proved that each successive generation is learning more subject material than it did in the past.

Tests from 1934 were given a group of pupils from mid-west city last year and students did 12 per cent better than their mothers and dads. At least 16 similar investigations have proven the same thing, Riegle declared.

He asserted also that our children do as well as European students. They surpass London students in reading ability and don't spend nearly as much time reading comic books as children do in Scotland.

Other points made include the fact that six times as many youngsters take science as did in 1900 and nine times as many take math—this despite the fact that the population has only doubled. The total language increase has been threefold with only German declining.

The proportion of income spent for education has remained constant at 3 per cent for several decades. The peak demand for elementary teachers should occur in 1958-59, Riegle said, and for secondary teachers in 1964-65. After discussing the reasons for the shortage he pointed out that teachers sought the following improvements: Appreciation, recognition in the community, supervision, better salary, more and better equipment, smaller classes, better working conditions.

EVERSOLE-FAIR NUPTIALS READ HERE ON SUNDAY

Miss Mary Louise Fair, daughter of Mr. and Mrs. Ira G. Fair, Fairfield R. 2, became the bride of Lawrence Ellsworth Eversole, son of Mr. and Mrs. Richard W. Eversole, Fairfield R. 1, in a double-ring ceremony performed Sunday afternoon at 2:30 o'clock in Memorial EUB Church by the pastor, the Rev. Harry Fehl.

The church was decorated with pink gladioli and white carnations. The bride, who was given in marriage by her brother, James Fair, wore a ballerina-length gown with fitted bodice, Peter Pan collar, and sleeves tapering at the wrist. Satin was woven through the skirt to form a bow in the back. A fingertip veil was attached to a half-hat which matched the gown. The bride carried a white Bible and white carnations and pink rosebuds.

Attendants were Dale G. Fair and Anna V. Fair, both of Fairfield R. 2. Ushers were Richard W. Eversole Jr., brother of the bridegroom, and Fred R. Fair, Fairfield R. 1.

120 At Reception

The bride's mother wore a gray gored street length dress with a corsage of pink rosebuds and white carnations. The bridegroom's mother was attired in a gray fitted street length dress with a corsage of pink rosebuds and white carnations.

Miss Helen McClellan, the organist, played "O Promise Me" and "I Love You Truly."

A reception for approximately 120 guests was held in the social room of the church.

The bride graduated from Fairfield High School and is now employed at the Gettysburg Shoe factory. Her husband also graduated from the same school and is a mechanic at Hiner's Garage, Fairfield.

The couple will reside in the Henderson Apts., Fairfield.

Guests from New York, Thurmont, Harrisburg, Mechanicsburg and Waynesboro attended the wedding.

Pleads Guilty To Drunken Driving

George W. Kegriss, 21, Carlisle, was returned to the Adams County jail in default of \$500 bail after he pled guilty to a charge of driving while under the influence before Justice of the Peace John H. Baschore Monday afternoon. He is being held for sentence court.

Kegriss was arrested Sunday morning by state police after the tractor-trailer he was driving hit a pole and upset 116 mile south of York Springs on the Hanover Rd. at 1:30 o'clock. He was jailed in default of bail. Damage was estimated at \$3,000.

Polio Patient To Observe Birthday

Little Timmy Ziegler will be home for his fifth birthday. The youngster, son of Mr. and Mrs. Marland Ziegler, New Oxford R. 2, was stricken by polio 9 1/2 months ago.

A patient at the Elizabethtown Crippled Children's Hospital since then, Timmy and his parents had been hoping he would be home in time for a fifth birthday party on September 20.

Then hopes will be realized Monday the parents were called to the hospital and Timmy was discharged.

The polio affected the right leg of the child and he walks with braces. Hospital officials hope that additional improvement may be obtained.

OPEN SEMINARY FOR 132ND YEAR

Students at Gettysburg Lutheran Theological Seminary were told their task is to "put the Gospel to work to meet human needs" by Dr. Harry F. Baughman, president of the seminary, this morning at a 10 o'clock service in the Church of the Abiding Presence formally opening the 132nd year of the school.

Speaking on "Reporters or Participants," Dr. Baughman told of the transfiguration of Christ on the mount and added: "The disciples did not remain there in light and beauty, they went down into the valley to put to work what they had seen to meet human needs."

Classes for all students will begin Wednesday morning. Forty-one new students have entered the school, beginning orientation today.

Seventeen of the returned seniors are students who spent the last year in various types of internships including hospitals, penal institutions and parishes.

The school opens today with 145 students of whom 48 are seniors.

Returning home, Dr. and Mrs. Tilberg stopped in Altoona and visited Sunday and Monday with their son, the Rev. Cedric W. Tilberg, and his family.

Submit Grade School Plans To State For Approval; Will Heat New Building With Gas

CONTRACTS FOR SCHOOL FUELS GIVEN MONDAY

Members of the Gettysburg Joint School Board Monday evening at their September meeting at the high school received reports on the opening of schools from grade and high school principals, awarded contracts for coal, fuel oil and improvements in the high school cafeteria and spent more than three hours on a wide range of subjects that kept the directors in session until nearly midnight.

Elementary Principal Richard A. Polkenroth said 600 students are being led daily at the Keefe-aver cafeteria. About 80 are going there for lunch from the High Street building where 128 pupils are assigned. Transportation problems are being worked out and the 251 First graders are adapting themselves smoothly to school routine, he said.

Guido W. Lefever, high school principal, said enrollment there has gone over the 1,070 mark with the addition of six more pupils Monday. He told of plans being made for the development of string music instruction at the high school and in the grades with the addition of an instrumental instructor this year. No string music will be introduced in the senior high school, he said.

Award Contracts

Lefever also said Gettysburg is one of seven high schools in the state to receive 50 scientific books for its library for two months after which the books will be sent to another library and another 50 books will be sent here by a national science foundation.

The Gettysburg Construction Company was awarded a contract on a roll call vote as low bidder to enclose the front of the high school cafeteria kitchen. The company's bid was \$800. Allen McDonnell, the other bidder, asked \$623.

The fuel oil contract for supplying burners in older sections of the high school building was awarded to the Aero Oil Company of New Oxford, the apparent low bidder among three. The action is subject to confirmation after checking with the bidders. The other offers were submitted by the Blue Ridge Oil of Gettysburg and Shipley Humbel, York. The Blue Ridge offer was 10.56 cents per gallon; Aero Oil, 10.44 cents and the York firm, 10.55 cents.

Let Coal Contract

All bids had been asked on the basis of the "spot price" on No. 4 (Continued On Page 4)

MOTHER OF 2 HURT IN CRASH

Mrs. Lonetta Miller, 31-year-old mother of two young children, of Spring Grove R. 2, died Monday at 5:30 p.m. of injuries suffered in a head-on auto collision eight hours earlier in Spring Grove.

She was taken to Hanover hospital where spokesmen said she suffered internal injuries and shock.

Also injured in the accident and reported in fair condition at the hospital were her husband, Roy J. Miller, also 31, with whom she was riding, and the driver of the other car, William Billet, 25, of Red Lion R. 3.

HAMME TO HEAD KIWANIS CLUB, RIEGLE SPEAKS

Prof. Herbert G. Hamme was elected president of the Gettysburg Kiwanis Club at their regular meeting at Banker's Restaurant Monday evening. Other officers elected were Robert McCoy, 1st vice president; J. William Ditzler, 2nd vice president, and the following directors, Mark Ginkrick, H. Wayne Cluck, Rev. Harry Fehl, and Francis Rider. E. W. Manje, Hanover, was a guest at the meeting.

H. Edgar Riegler, Gettysburg superintendent of schools, was the speaker of the evening. He told the Kiwanians that the schools are doing a better job now than ever before and showed that statistics of test scores as far back as 1844 proved that each successive generation is learning more subject material than it did in the past.

Tests from 1934 were given a group of pupils from mid-west city last year and students did 12 per cent better than their mothers and dads. At least 16 similar investigations have proven the same thing, Riegler declared.

He asserted also that our children do as well as European students. They surpass London students in reading ability and don't spend nearly as much time reading comic books as children do in Scotland.

Other points made include the fact that six times as many youngsters take science as did in 1900 and nine times as many take math—this despite the fact that the population has only doubled. The total language increase has been threefold with only German declining.

The proportion of income spent for education has remained constant at 3 per cent for several decades. The peak demand for elementary teachers should occur in 1958-59, Riegler said, and for secondary teachers in 1964-65. After discussing the reasons for the shortage he pointed out that teachers sought the following improvements: Appreciation, recognition in the community, supervision, better salary, more and better equipment, smaller classes, better working conditions.

EVERSOLE-FAIR NUPTIALS READ HERE ON SUNDAY

Miss Mary Louise Fair, daughter of Mr. and Mrs. Ira G. Fair, Fairfield R. 2, became the bride of Lawrence Ellsworth Eversole, son of Mr. and Mrs. Richard W. Eversole, Fairfield R. 1, in a double-ring ceremony performed Sunday afternoon at 2:30 o'clock in Memorial EUB Church by the pastor, the Rev. Harry Fehl.

The church was decorated with pink gladioli and white carnations. The bride, who was given in marriage by her brother, James Fair, wore a ballerina-length gown with fitted bodice, Peter Pan collar, and sleeves tapering at the wrist. Satin was woven through the skirt to form a bow in the back. A fingertip veil was attached to a half-hat which matched the gown. The bride carried a white Bible and white carnations and pink rosebuds.

Attendants were Dale G. Fair and Anna V. Fair, both of Fairfield R. 2. Ushers were Richard W. Eversole Jr., brother of the bridegroom, and Fred R. Fair, Fairfield R. 1.

120 At Reception

The bride's mother wore a gray gored street length dress with a corsage of pink rosebuds and white carnations. The bridegroom's mother was attired in a gray fitted street length dress with a corsage of pink rosebuds and white carnations.

Miss Helen McClellan, the organist, played "O Promise Me" and "I Love You Truly."

A reception for approximately 120 guests was held in the social room of the church.

The bride graduated from Fairfield High School and is now employed at the Gettysburg Shoe factory. Her husband also graduated from the same school and is a mechanic at Hiner's Garage, Fairfield.

The couple will reside in the Henderson Apts., Fairfield. Guests from New York, Thurmont, Harrisburg, Mechanicsburg and Waynesboro attended the wedding.

Pleads Guilty To Drunken Driving

George W. Kegriss, 21, Carlisle, was returned to the Adams County jail in default of \$500 bail after he pled guilty to a charge of driving while under the influence before Justice of the Peace John H. Baschore Monday afternoon.

He is being held for sentence court. Kegriss was arrested Sunday morning by state police after the tractor-trailer he was driving hit a pole and upset 1.16 mile south of York Springs on the Hanover Rd. at 1:30 o'clock. He was jailed in default of bail. Damage was estimated at \$3,000.

Dynamite Nashville School; Only One Negro Is Enrolled; U.S. Acts Against Governor

NASHVILLE, Tenn. (AP)—A dynamite charge early today shattered a newly integrated, half-million-dollar Nashville elementary school.

The wrecked Hattie Cotton School was one of six in which white and Negro first graders attended classes yesterday for the first time, to the accompaniment of disorders at some.

Only one Negro was enrolled at Hattie Cotton, which has a registration of 390 in all its six grades. In contrast to the disorders at some of the other schools, Hattie Cotton went through its integration process quietly and without any disorder.

School authorities expressed belief the school might be a total loss.

PAGEANT AUTHOR TO SPEAK HERE MONDAY NIGHT

Paul Green, author and director of such pageants as "The Common Glory" and "The Founders," the pageant written for the Jamestown observance this year, will speak here next Monday at a public meeting in an effort to arouse interest in a Gettysburg pageant, Burgess William G. Weaver told Rotary Club members at their meeting Monday evening at the Hotel Gettysburg.

Weaver said Green will outline the possibilities of a permanent, summer pageant here and tell how the other pageants came into existence. The meeting will be held at 8:30 o'clock next Monday evening at the courthouse.

"This will be a community meeting and if it is decided to present a summer-long pageant here it will have to be a community project. One or two people cannot do it. But a community can," Weaver said.

Dr. Harold Dunkelberger, president of the Rotary Club, announced participation by the local Rotarians in the sponsorship of the "Chocolate Bowl" football game between Gettysburg and Bucknell colleges at Hershey September 28.

Polio Patient To Observe Birthday

Little Timmy Zeigler will be home for his fifth birthday.

The youngster, son of Mr. and Mrs. Marland Zeigler, New Oxford R. 2, was stricken by polio 9½ months ago.

A patient at the Elizabethtown Crippled Childrens Hospital since then, Timmy and his parents had been hoping he would be home in time for a fifth birthday party on September 20.

Their hopes will be realized. Monday the parents were called to the hospital and Timmy was discharged.

The polio affected the right leg of the child and he walks with braces. Hospital officials hope that additional improvement may be obtained.

OPEN SEMINARY FOR 132ND YEAR

Students at Gettysburg Lutheran Theological Seminary were told their task is to "put the Gospel to work to meet human needs" by Dr. Harry P. Baughman, president of the seminary, this morning at a 10 o'clock service in the Church of the Abiding Presence formally opening the 132nd year of the school.

Speaking on "Reporters or Participants?" Dr. Baughman told of the transfiguration of Christ on the mount and added: "The disciples did not remain there in light and beauty, they went down into the valley to put to work what they had seen to meet human needs."

Classes for all students will begin Wednesday morning. Forty-one new students have entered the school, beginning orientation today.

Seventeen of the returned seniors are students who spent the last year in various types of internships including hospitals, penal institutions and parishes.

The school opens today with 145 students of whom 48 are seniors.

Dr. Tilberg Addresses Group At Lutherlyn

Returning home, Dr. and Mrs. Tilberg stopped in Altoona and visited Sunday and Monday with their son, the Rev. Cedric W. Tilberg, and his family.

Submit Grade School Plans To State For Approval; Will Heat New Building With Gas

CONTRACTS FOR SCHOOL FUELS GIVEN MONDAY

Members of the Gettysburg Joint School Board Monday evening at their September meeting at the high school received reports on the opening of schools from grade and high school principals, awarded contracts for coal, fuel oil and improvements in the high school cafeteria and spent more than three hours on a wide range of subjects that kept the directors in session until nearly midnight.

Elementary Principal Richard A. Folkenroth said 600 students are being fed daily at the Keesauver cafeteria. About 80 are going there for lunch from the High Street building where 128 pupils are assigned. Transportation problems are being worked out and the 251 First graders are adapting themselves smoothly to school routine, he said.

Guile W. Lefever, high school principal, said enrollment there has gone over the 1,070 mark with the addition of six more pupils Monday. He told of plans being made for the development of string music instruction at the high school and in the grades with the addition of an instrumental instructor this year. No string music will be introduced in the senior high school, he said.

Award Contracts

Lefever also said Gettysburg is one of seven high schools in the state to receive 50 scientific books for its library for two months after which the books will be sent to another library and another 50 books will be sent here by a national science foundation.

The Gettysburg Construction Company was awarded a contract on a roll call vote as low bidder to enclose the front of the high school cafeteria kitchen. The company's bid was \$888. Allen McDonnell, the other bidder, asked \$923.

The fuel oil contract for supplying burners in older sections of the high school building was awarded to the Aero Oil Company of New Oxford, the apparent low bidder among three. The action is subject to confirmation after checking with the bidders. The other offers were submitted by the Blue Ridge Oil of Gettysburg and Shipley Hummel, York. The Blue Ridge offer was 10.56 cents per gallon; Aero Oil, 10.44 cents and the York firm, 10.55 cents.

MOTHER OF 2 HURT IN CRASH

Mrs. Loretta Miller, 31-year-old mother of two young children, of Spring Grove R. 2, died Monday at 5:30 p.m. of injuries suffered in a head-on auto collision eight hours earlier in Spring Grove.

She was taken to Hanover hospital where spokesmen said she suffered internal injuries and shock. Also injured in the accident and reported in fair condition at the hospital were her husband, Roy J. Miller, also 31, with whom she was riding, and the driver of the other car, William Billet, 25, of Red Lion R. 3.

Miller was reported suffering from shock. Billet reported a fracture of the left arm and cuts of the chin.

The accident was reported being investigated by Spring Grove Chief of Police Joseph M. Rutter, but he could not be reached for details last night.

Mrs. Miller was a member of the Lutheran congregation and Sunday School of Holtzschwamm Union Church. Surviving besides her husband are: Two children, Linda and Joan, at home; her parents, Mr. and Mrs. Oscar Gruver, Thomasville R. 1, and four brothers and sisters, George W. and Melvin P. Gruver and Mrs. Gerald Miller, all of Thomasville R. 1, and Mrs. Raymond Krout, York.

Funeral arrangements are incomplete.

John Crow of the Convention committee was in charge. Articles for sale had been donated by local business places, individuals and by members of the club.

President Donald A. Ullrich presided at the meeting with 75 members present. There was a meeting of the board of directors after the club session.

CALL POLICE IN BIRMINGHAM'S SCHOOL ISSUE

BIRMINGHAM, Ala. (AP) — Phillips High School, scene of anti-integration violence yesterday, was evacuated of its all-white student body of 2,400 today because of an anonymous bombing threat.

BIRMINGHAM, Ala. (AP)—Reinforced police were called to stand guard today both against renewed attempts by Negroes to enroll in white city schools, and against any possible violence inspired by attacks on racial segregation.

Some of the tension was eased last night when a Negro leader said he would comply with police orders to cease enrollment efforts pending school board action on integration petitions.

Police Commissioner Robert Lindbergh said that if the Rev. F. L. Shuttlesworth makes another enrollment bid at the white school, "he will be stopped by the police."

Shuttlesworth, however, said he would comply with a police order that no further attempt be made to seek integration at this time.

Earlier he had said he would make another attempt today to enroll Negro students in the all-white Phillips High School "whether they kill us or not."

Beaten By Mob
Shuttlesworth was beaten by an angry mob of white men when he attempted to enroll his two daughters and two Negro boys at Phillips High School yesterday. He was rescued by police after being knocked down and kicked. He escaped in his car.

Police received several complaints last night that Negroes had threatened or thrown rocks at white persons. There also were some cross burnings and other demonstrations, including a Negro hung in effigy near Woodlawn High School. Most of these incidents were blamed on student pranksters.

Negroes led by Shuttlesworth have asked the Birmingham Board of Education for admission of their children to three all-white schools—Phillips and Woodlawn high schools, and Graymont Elementary.

Acting under Alabama's untested school placement law, the board members directed Frazier Banks, city superintendent of education, to study the petitions and report back to the board.

Steal Tires, Wheels From House Trailer

John Settle, Seven Stars, has reported the theft of two tires and wheels from his house trailer.

The theft, he said, occurred late Friday night or early Saturday morning, a period during which two truck tires and wheels were also stolen from a Leo McDermitt truck at the McDermitt cement plant east of here.

The thieves jacked up the south side of the Settle trailer, on the opposite side from Settle's house, put two blocks under it, and removed the dual tires and wheels on that side. Their action was similar to the theft at the McDermitt plant where a truck was jacked up and blocked and dual wheels removed. Settle estimates his loss at \$95.

Milk Truck, Auto Crash; \$450 Loss

Damage totaled \$450 but not a drop of milk was spilled according to state police when a milk truck and auto collided this morning at 6:55 o'clock on the Lincoln Highway at Seven Stars, four miles west of here.

State police said Sterling Wisotzkey, 34, Littlestown R. 1, was operating a Penn Dairies truck west on the Lincoln Highway and started to make a left turn into a private drive.

As he did so a west-bound car operated by Ronald G'Gous, 19, 235 W. Middle St., crashed into the truck.

Damage was estimated at \$300 to the car and \$150 to the truck.

CUBAN REVOLT SPREADING TO ARMED FORCES

HAVANA, Cuba (AP)—President Fulgencio Batista's government moved today against any revolt in the ranks of the armed services, the chief bulwark of the Batista regime.

Sailors were jailed and army officers transferred. Loyalty checks were ordered for all military personnel.

Col. Roberto Comanas, the naval commander at Cienfuegos when 150 sailors joined rebels last week in a bloody revolt, was replaced.

He and his aide Cmdr. Sopo Barreto were ordered to appear before the navy general staff in Havana to explain the sailor insurrection.

The new Cienfuegos commander is Col. Arsenio Arrazola. The Cuban naval rank of colonel corresponds to captain of frigate.

Despite Batista's announcement that the military services are loyal to him, the government has sent troops to Matanzas because of fear of mutiny at the naval station there, a usually reliable source reported.

The army announced the transfer of 20 lower echelon officers to new posts, mostly in the Havana area.

A maritime police chief was fired because some of his men joined in the Cienfuegos revolt.

Cuba generally is calm, except for scattered bombings. Planes and navy ships are watching the coast for possible landings of rebels from Mexico.

SYRIA CALLS URGENT SESSION

DAMASCUS, Syria (AP)—Syria's cabinet was summoned into an urgent session today as the nation's press demanded nationwide mobilization to meet what it called the threat of U. S. aggression.

Official sources said the purpose of the session was to study what they described as "U. S. anti-Syrian provocations" and to decide Syria's course.

The meeting was called on the heels of a Syrian charge that five U. S. warships steamed close to the Syrian coast Sunday.

Foreign Minister Salah Bitar told Syrian newspapers this country "will not be terrorized by U. S. military demonstrations or any American war of nerves against us."

"Neither military demonstrations nor a U. S. war of nerves will make us deviate from our Arab liberation policy. On the contrary, these acts will certainly bolster our determination to adhere to our policy and defend it," Bitar said.

News Briefs

LITTLE ROCK, Ark. (AP)—Gov. Orval Faubus, entrenched behind armed troops in his official mansion, watched the federal government's first legal moves today in the bitter struggle over integrating high schools in the Little Rock area.

Tension is building rapidly in the dramatic, fast-moving story. It centers at three points — 1. The federal courts where U. S. attorneys are preparing to ask an injunction, naming Faubus as one of the defendants, and restraining any further interference with the order to integrate.

WASHINGTON (AP)—Secretary of State Dulles said today he believes the Syrian situation will be worked out peacefully although there are elements which could lead to serious trouble.

He told a news conference the United States does not believe in peace at any price and under certain circumstances would act, but he did not define the circumstances or indicate the possibilities of action.

SAYRE, Pa. (AP)—Carlton J. Rounds, 61, a member of Sayre Borough Council, collapsed and died at Borough Hall last night of an apparent heart attack. Rounds, a trainman for the Lehigh Valley railroad, had just attended a Council meeting.

WASHINGTON (AP)—Lt. Col. William J. McDermott, 43, an Army officer assigned to the joint chiefs of staff, collapsed and died on the steps of the Pentagon yesterday. He was a native of Allentown, Pa. A medical officer said a cerebral hemorrhage was the apparent cause of death.

Lawyer—Feaser
Miss Gayla Y. Feaser, daughter of Mr. and Mrs. William J. Feaser, 220 Penn St., Hanover, and Gerald C. Lawver, Biglerville R. 1, son of Mr. and Mrs. Earl Lawver, were united in marriage Saturday afternoon at 2 o'clock in the Grace EUB Church, Hanover. The Rev. William E. Yingling officiated at the double-ring ceremony.

The bride was given in marriage by her father. She wore a ballerina length gown of imported Chantilly type lace and crystal beaded tulle over satin and a fitted bodice with a high neckline, Peter Pan collar and long sleeves tapering to points over the hands. The fingertip veil was attached to a fan shape hat of lace trimmed in pearls and rhinestones.

Reception Is Held
In addition she wore a pearl necklace and earrings and carried a white Bible topped with an orchid and red rosebud streamers.

The maid of honor was Mrs. Diane M. Auchey, Spring Grove R. 1, sister of the bride. She wore a pink lace strapless bodice with a full pink net and lace skirt over taffeta with a matching lace jacket and pink accessories. She carried a colonial bouquet of pink rosebuds, white carnations and yellow chrysanthemums.

The best man was William E. Auchey, Spring Grove R. 1, brother-in-law of the bride.

A reception was held at the Victory Restaurant for the immediate families after which the couple left on a wedding trip to Niagara Falls. The bride chose a blue suit with black accessories and an orchid corsage as her traveling attire. They plan to reside at 220 Penn St., Hanover, upon their return.

Mrs. Lawver is a graduate of Hanover High School, with the class of 1956, and is employed by Lana Lobell Inc., Hanover, as a clerk. Mr. Lawver is a graduate of Biglerville High School with the class of 1955 and is employed by the C. H. Musselman Co., Biglerville.

New Floor Care Ends Waxing

One of the difficult jobs of house-keeping is to wax linoleum and asphalt tile floors. Now, thanks to Glaxo, it's no longer necessary to wax and scrub; just apply Glaxo about twice a year. It maintains a high lustre, non slip coating that seals out dirt. Glaxo dries in one hour and is water clear. It's cheaper than wax in the long run, besides saving a terrific amount of work, plus truly a beautiful floor.

REV. G. H. KOONS
NEW PRESIDENT
OF MINISTERIUM

Te Rev. G. Howard Koons, pastor of Christ United Church of Christ, was elected president of the Littlestown Ministerium at the bi-monthly meeting of the local pastors held on Monday morning in St. Paul's Lutheran Church.

The Rev. William C. Karns, pastor of St. John's Lutheran Church, was elected vice president, and the Rev. David S. Kammerer, pastor of St. Paul's Church, was elected secretary - treasurer. The Rev. Charles B. Rebert, who has served as secretary-treasurer of the organization since 1945, was presiding officer prior to the election. The Rev. Mr. Rebert, a retired Reformed minister, tendered his resignation also, prior to the election, due to ill health. The resignation was accepted with regret by his fellow ministers, who gave him a vote of appreciation for his long term of service.

Among important items for discussion on the business agenda were the annual preaching mission, the fall union vesper services and the schedule for the local pastors to be in charge of a week's devotions on radio WHVR, Hanover. It was decided to conduct the annual preaching mission during the first full week in January, 1958, according to custom.

Fall Vesper Schedule

The schedule for the fall series of union vesper services was arranged as follows: Sunday, October 20, St. John's Church will be the place of worship, and Pastor Kammerer will deliver the sermon; Oct. 27, Christ Church, Pastor Karns speaks; November 3, in St. Paul's Church, Pastor Koons; Nov. 10, a Veterans Day service in Redeemer's United Church of Christ, with the Rev. Archie C. Rohrbach, York, a former chaplain who served in World War II, as speaker; Nov. 17, Centenary Methodist Church, and Redeemer's will supply a minister to speak; Nov. 24, in St. John's Church, and the Rev. Rodney T. Yates, pastor Centenary Church, will speak. The minister of the church where the service is being held will preside. All of the vesper services begin at 7:30 p.m.

The annual Thanksgiving service will be held on November 27, 7:30 p.m., in Redeemer's Church with Pastor Yates as speaker. The offering at that time will be given to further religious instruction at Mont Alto.

Members of the Ministerium will speak during the morning devotions over WHVR, Hanover, 8:30 to 8:45 a.m., during the week of October 28. The schedule will be as follows: Oct. 28, the Rev. Mr. Yates; Oct. 29, the Rev. Mr. Karns; Oct. 30, the Rev. Mr. Kammerer; Oct. 31, the Rev. Mr. Koons; Nov. 1, to be supplied by Redeemer's Church.

The Monday meeting opened with prayer by Pastor Karns and the closing prayer was offered by Pastor Kammerer. The Ministerium will meet again on Monday, November 4, at 10 a.m.

Students To Speak

Eberhard Gohler, Heidelberg, and Miss Frauke Kikening, Hanover, German exchange students, will speak at the meeting of the Littlestown Rotarians this evening at

modern construction and contained considerable glass, all of which was shattered.

Buildings three blocks away were damaged by the massive explosion.

Lights were shattered in a drug-store show window three blocks distant; the ceiling of a grocery two blocks away was cracked.

Dwellings across the street were damaged; their porches littered with splintered glass.

The east of the school was blown out, leaving a hole big enough to drive a truck through.

"It sounded like the whole world ended—just one big loud blast," said city patrolman Joe Casey who lives nearby.

15 Negroes Admitted

No Negroes had been expected to enroll in the predominantly white east Nashville school district and it was the only one of the six racially mixed schools that escaped without segregationist demonstrations.

The schools admitted a total of 15 Negro first-graders in their first step toward court-ordered desegregation. There are 3,500 first graders including 2,000 whites among the city's 16,000 school pupils.

The dynamite blast came only a few hours after police had dispersed a violent crowd of about 500 segregationists who were smashing windshields and windows of Negroes automobiles with bricks and bottles as they passed Fehr school.

Three Are Arrested

Fehr, which is located in a borderline Negro-white residential district, was the focal point of much of yesterday's disorders. Three persons were arrested in the day and night disturbances, including one woman who was arrested twice.

No injuries have been reported so far. Police Sgt. John Irwin said he found a detonating cap wire at the scene. He said the dynamite apparently was exploded in the school's entrance hall between the library and a classroom.

The concussion ripped through the building, tearing down walls and blasting every window from the one-story structure.

Matter Of Lawlessness

Asst. Supt. W. H. Oliver had this comment immediately on learning of the blast: "This is no longer a matter of segregation or desegregation. This is a matter of sheer lawlessness. We're up against thugs. This is the result of a flame that has been fanned in Nashville by some local agitators and some outside agitators. I hope this will at last waken the law abiding citizens of this community to the problem we're up against."

Although numerous dynamite explosions have accompanied desegregation disorders in various other Southern cities, it is believed that no schools had previously been damaged by them.

6:15 p.m. at Schottle's. The program is in charge of the international service committee, L. Robert Snyder, chairman.

The first fall meeting of the leaders and assistant leaders of the Brownie, Intermediate and Senior Girl Scout Troops of the community will be held this evening at 7:30 o'clock in the engine house, as called by the neighborhood chairman, Mrs. Charles E. Ritter.

WEATHER CLEAR
WEST OF ROCKIES

By THE ASSOCIATED PRESS

More wet weather hit wide areas in the eastern half of the nation today but generally clear skies prevailed west of the Rockies.

The Southeast got the heaviest rainfall and the wide wet belt spread northward into parts of the Ohio Valley and the eastern Great Lakes region. Amounts from the east Gulf Coast northward through the lower Lakes area were mostly light.

More than 2 inches of rain fell during the night in thunderstorms in Savannah, Ga.

West of the Mississippi River showers were confined to the Southwest, the upper Mississippi Valley and the central Plains.

is the first year that Gettysburg organizations have been permitted to sell tickets to the contest annually sponsored by the Harrisburg Rotary Club. Tickets will be on sale by the club and the Gettysburg College Alumni Association of Adams County. The two groups will divide the profits realized from the sale of tickets locally. The money raised by Rotary will go into its charity fund. Tickets are available at prices ranging from \$2 to \$3 a seat. Persons wishing tickets are asked to call Frank Britcher at the Britcher and Bender Drug Store, David Blocher at Blocher's Jewelry or Julius Swope at Swope Atlantic Station.

Joint Dinner Monday

President Dunkelberger announced that the Rotarians will join with other service clubs next Monday evening at a dinner to be held at 7 o'clock in Huber Hall in observance of the 125th anniversary of the founding of Gettysburg College.

Chairman Edwin Minter reported a \$112 profit from the Totten Pole Playhouse show sponsored by the club last month.

James C. Cairns introduced the speaker of the evening, William L. Cooper, of the Fiberglass Awning Corporation, Baltimore. A graduate of West Point and one time instructor there, Major Cooper, who was retired from the Army because of wounds received in the Korean War, told the Rotarians:

"I am here frankly to promote West Point. You are not going to West Point, but if you and sufficient other people are made aware of the tremendous stake you have in your military academy, and of the outstanding work done there, then you will see to it that the cream of the crop enters West Point. It is easy for us to fill the ranks of students at West Point. But we want to make sure that nothing but the best young men in America go there."

As part of his West Point staff duty Major Cooper was in charge of the making of a motion picture on "The Aims and Purposes of the Army Military Academy." He showed the film which depicted

Weaver Is Introduced

Oldest commander present in point of service was Burgess William G. Weaver who served two terms from 1922 to 1924. He arrived late and was introduced.

Reports on the 39th annual state convention were presented by Commander MacPhail, G. Henry Roth and Rev. John Fry, past chaplain said. "The chaplains corps of the American Legion is planning this year to promote membership from among the ministry. There are many eligible young men who served in World War II or Korea and then entered the ministry."

Seek More Clergymen

"The Legion's reason for being is listed in the preamble to its constitution as 'For God and country,' and the Legion carries on a 'Back to God' and an 'Americanism' program. We hope to encourage more ministers and priests to join."

Commander MacPhail urged that next year delegates be "appointed" earlier so they can study the resolutions to be presented to the state convention in Philadelphia and seek the opinion of the post membership. We were caught flat-footed this year on one of the resolutions and didn't really know how to cast our vote because we had not had time enough to study the matter."

Adjutant William T. Timmins Jr. announced that District Commander George Klee will attend the October 7 meeting to install officers.

A minute of silence out of respect to the memory of Past Commander Lawrence E. Oyler and other members of the post who died during the past month was observed.

Enroll New Members

Dale Bowling, chairman of the bowling committee, said the teams in the league are ready to start activities.

Accepted as members of the post were: Charles C. Sease, Gettysburg R. 3; Louis Joseph Spadonola, Gettysburg R. 2; Leonard P. Arnold, Biglerville R. 1; Robert W. Strine, Aspers R. 1; William P. Coston, 51 W. Middle St.; William H. Horner, Guernsey; Stanley C. Rogers, 202 Ridge Ave.; John P. Brennan, 102 W. Middle St.; Paul W. Lau, Spring Grove; Arthur J. Cool, Littlestown R. 2; Lenwood Royce Brown, Gettysburg R. 2; Harold K. Radisil, 254 E. Middle St.; William Newton Stender, Indianapolis, Ind.; Paul Powers Shields Jr., Gettysburg; Charles S. Strickler Jr., McKnight Hall; John M. Overbaugh, New Oxford; Elboworth Spenseller Jr., Gettysburg R. 5; and Robert Lee Tipton, Gettysburg R. 3.

A meeting of the American Legion club followed the post session.

Refreshments were served. Discussion at the social hour indicated a similar "Old Timers Night" will be held again next year as a result of the success of Monday night's meeting.

REV. G. H. KOONS NEW PRESIDENT OF MINISTERIUM

Te Rev. G. Howard Koons, pastor of Christ United Church of Christ, was elected president of the Littlestown Ministerium at the bi-monthly meeting of the local pastors held on Monday morning in St. Paul's Lutheran Church.

The Rev. William C. Karns, pastor of St. John's Lutheran Church, was elected vice president, and the Rev. David S. Kammerer, pastor of St. Paul's Church, was elected secretary - treasurer. The Rev. Charles B. Rebert, who has served as secretary-treasurer of the organization since 1945, was presiding officer prior to the election. The Rev. Mr. Rebert, a retired Reformed minister, tendered his resignation also, prior to the election, due to ill health. The resignation was accepted with regret by his fellow ministers, who gave him a vote of appreciation for his long term of service.

Among important items for discussion on the business agenda were the annual preaching mission, the fall union vesper services and the schedule for the local pastors to be in charge of a week's devotions on radio WHVR, Hanover. It was decided to conduct the annual preaching mission during the first full week in January, 1958, according to custom.

Fall Vesper Schedule

The schedule for the fall series of union vesper services was arranged as follows: Sunday, October 20, St. John's Church will be the place of worship, and Pastor Kammerer will deliver the sermon; Oct. 27, Christ Church, Pastor Karns speaks; November 3, in St. Paul's Church, Pastor Koons; Nov. 10, a Veterans' Day service in Redeemer's United Church of Christ, with the Rev. Archie C. Rohrbaugh, York, a former chaplain who served in World War II, as speaker; Nov. 17, Centenary Methodist Church, and Redeemer's will supply a minister to speak; Nov. 24, in St. John's Church, and the Rev. Rodney T. Yates, pastor Centenary Church, will speak. The minister of the church where the service is being held will preside. All of the vesper services begin at 7:30 p.m.

The annual Thanksgiving service will be held on November 27, 7:30 p.m., in Redeemer's Church with Pastor Yates as speaker. The offering at that time will be given to further religious instruction at Mont Alto.

Members of the Ministerium will speak during the morning devotions over WHVR, Hanover, 8:30 to 8:45 a.m., during the week of October 28. The schedule will be as follows: Oct. 28, the Rev. Mr. Yates; Oct. 29, the Rev. Mr. Karns; Oct. 30, the Rev. Mr. Kammerer; Oct. 31, the Rev. Mr. Koons; Nov. 1, to be supplied by Redeemer's Church.

The Monday meeting opened with prayer by Pastor Karns and the closing prayer was offered by Pastor Kammerer. The Ministerium will meet again on Monday, November 4, at 10 a.m.

Students To Speak

Eberhard Gohler, Heidelberg, and Miss Frauke Kilkening, Hanover, German exchange students, will speak at the meeting of the Littlestown Rotarians this evening at

modern construction and contained considerable glass, all of which was shattered.

Buildings three blocks away were damaged by the massive explosion.

Lights were shattered in a drug-store show window three blocks distant; the ceiling of a grocery two blocks away was cracked.

Dwellings across the street were damaged; their porches littered with splintered glass.

The east of the school was blown out, leaving a hole big enough to drive a truck through.

"It sounded like the whole world ended—just one big loud blast," said city patrolman Joe Casey who lives nearby.

15 Negroes Admitted

No Negroes had been expected to enroll in the predominantly white East Nashville school district and it was the only one of the six racially mixed schools that escaped without segregationist demonstrations.

The schools admitted a total of 15 Negro first-graders in their first step toward court-ordered desegregation. There are 3,500 first graders including 2,000 whites among the city's 18,000 school pupils.

The dynamite blast came only a few hours after police had dispersed a violent crowd of about 500 segregationists who were smashing windshields and windows of Negroes automobiles with bricks and bottles as they passed Fehr school.

Three Are Arrested

Fehr, which is located in a bordering Negro-white residential district, was the focal point of much of yesterday's disorders. Three persons were arrested in the day and night disturbances, including one woman who was arrested twice.

No injuries have been reported so far.

Police Sgt. John Irwin said he found a detonating cap wire at the scene. He said the dynamite apparently was exploded in the school's entrance hall between the library and a classroom.

The concussion ripped through the building, tearing down walls and blasting every window from the one-story structure.

Matter Of Lawlessness

Asst. Supt. W. H. Oliver had this comment immediately on learning of the blast: "This is no longer a matter of segregation or desegregation. This is a matter of sheer lawlessness. We're up against thugs. This is the result of a flame that has been fanned in Nashville by some local agitators and some outside agitators. 'I hope this will at last awaken the law abiding citizens of this community to the problem we're up against.'"

Although numerous dynamite explosions have accompanied desegregation disorders in various other Southern cities, it is believed that no schools had previously been damaged by them.

WEATHER CLEAR WEST OF ROCKIES

By THE ASSOCIATED PRESS

More wet weather hit wide areas in the eastern half of the nation today but generally clear skies prevailed west of the Rockies.

The Southeast got the heaviest rainfall and the wide wet belt spread northward into parts of the Ohio Valley and the eastern Great Lakes region. Amounts from the east Gulf Coast northward through the lower Lakes area were mostly light.

More than 2 inches of rain fell during the night in thunderstorms in Savannah, Ga.

West of the Mississippi River showers were confined to the Southwest, the upper Mississippi Valley and the central Plains.

is the first year that Gettysburg organizations have been permitted to sell tickets to the contest annually sponsored by the Harrisburg Rotary Club. Tickets will be on sale by the club and the Gettysburg College Alumni Association of Adams County. The two groups will divide the profits realized from the sale of tickets locally. The money raised by Rotary will go into its charity fund. Tickets are available at prices ranging from \$2 to \$3 a seat. Persons wishing tickets are asked to call Frank Britcher at the Britcher and Bender Drug Store, David Blocher at Blocher's Jewelry or Julius Swope at Swope Atlantic Station.

Joint Dinner Monday

President Dunkleberger announced that the Rotarians will join with other service clubs next Monday evening at a dinner to be held at 7 o'clock in Huber Hall in observance of the 125th anniversary of the founding of Gettysburg College.

Chairman Edwin Minter reported a \$112 profit from the Totem Pole Playhouse show sponsored by the club last month.

James C. Cairns introduced the speaker of the evening, William L. Cooper, of the Fibreboard Container Corporation, Baltimore. A graduate of West Point and one time instructor there, Major Cooper, who was retired from the Army because of wounds received in the Korean War, told the Rotarians:

"I am here frankly to promote West Point. You are not going to West Point, but if you and sufficient other people are made aware of the tremendous stake you have in your military academy, and of the outstanding work done there, then you will see to it that the cream of the crop enters West Point. It is easy for us to fill the ranks of students at West Point. But we want to make sure that nothing but the best young men in America go there."

As part of his West Point staff duty Major Cooper was in charge of the making of a motion picture on "The Aims and Purposes of the Army Military Academy." He showed the film which depicted cadet life.

Weaver Is Introduced

Oldest commander present in point of service was Burgess William G. Weaver who served two terms from 1922 to 1924. He arrived late and was introduced.

Reports on the 39th annual state convention were presented by Commander MacPhail, G. Henry Roth and Rev. John Fry, post chaplain said "The chaplains corps of the American Legion is planning this year to promote membership from among the ministry. There are many eligible young men who served in World War II or Korea and then entered the ministry."

Seek More Clergymen

"The Legion's reason for being is listed in the preamble to its constitution as 'For God and country,' and the Legion carries on a 'Back to God' and an 'Americanism' program. We hope to encourage more ministers and priests to join."

Commander MacPhail urged that next year delegates be "appointed" earlier so they can study the resolutions to be presented to the state convention in Philadelphia and seek the opinion of the local membership. We were caught flat-footed this year on one of the resolutions and didn't really know how to cast our vote because we had not had time enough to study the matter."

Adjutant William T. Timmins Jr. announced that District Commander George Klee will attend the October 7 meeting to install officers.

A minute of silence out of respect to the memory of Past Commander Lawrence E. Oyler and other members of the post who died during the past month was observed.

Enroll New Members

Dale Bowling, chairman of the bowling committee, said the teams in the league are ready to start activities.

Accepted as members of the post were: Charles C. Sease, Gettysburg R. 3; Louis Joseph Spadafina, Gettysburg R. 2; Leonard P. Arnold, Biglerville R. 1; Robert W. Strine, Aspers R. 1; William F. Coston, 51 W. Middle St.; William H. Horner, Guernsey; Stanley C. Rogers, 202 Ridge Ave.; John F. Brennan, 102 W. Middle St.; Paul W. Lau, Spring Grove; Arthur J. Cool, Littlestown R. 2; Lynwood Royce Brown, Gettysburg R. 2; Harold K. Rudisill, 254 E. Middle St.; William Newton Stender, Indianapolis, Ind.; Paul Powers Shields Jr., Gettysburg; Charles S. Strickler Jr., McKnight Hall; John M. Overbaugh, New Oxford; Ellsworth Sponseller Jr., Gettysburg R. 3.

A meeting of the American Legion club followed the post session.

Refreshments were served. Discussion at the social hour indicated a similar "Old Timers Night" will be held again next year as a result of the success of Monday night's meeting.

is the daughter of Mr. and Mrs. George E. Slaybaugh, Biglerville, and is a graduate of Biglerville High School and the Washington County School of Nursing, Hagerstown, Md.

Residing In Biglerville

Since their return from a four-day missionary policy conference at Thiel College, Greenville, Pa., the Wentz family has been residing with Mr. and Mrs. George E. Slaybaugh, Biglerville.

They said the climate at their Japanese home is similar to that of Florida and that the living conditions are "quite good." One of their favorite Japanese dishes is sukiyaki "what the cookbook calls a stew," Mrs. Wentz said. "Actually it is a glorified stew with steak, mushrooms, Chinese cabbage, bean sprouts, rice and most anything you want to add," she said. "For the Japanese it is more of a company dish."

When asked about education for the children in Japan, Mrs. Wentz said, "I'll be teaching them through a correspondence course sponsored by the Calvert School System, Baltimore. Each pupil is assigned a 'home room' teacher at the school who handles all the paper work and lets the mother know what instruction the children need. But I'll do the actual teaching."

Have Three Children

"The children will be able to keep up with those attending schools in the States or may possibly be a bit ahead of them. After the Sixth grade they will attend English boarding school, of which we have two in Japan. Children of missionaries formerly attended the Japanese public schools but a recent law restricts attendance to children of citizens," Mrs. Wentz said.

The Wentzes have three children: Virginia, four and one-half; Elizabeth, two and one-half; and Michael, one year old. When asked about playmates for the children, Mrs. Wentz said there were several children of the same age as theirs with whom to play. "There are a number of American missionaries near us. We also received visits from a number of servicemen from this area while we were in Japan," she said.

BURGESS GETS THANKS FROM YOUTH GROUPS

The following letters are posted on the bulletin board in the office of the burgess: September 6 William G. Weaver, Burgess Office Gettysburg Borough Office Gettysburg, Pa.

Dear Sir:

During the recent Scout Jamboree at Valley Forge we were highly honored to have as our special guests here on the Battlefield thousands of scouts and leaders.

On behalf of the Black Walnut District and our local field scout executive, Stanley C. Rogers, I want to thank you for your splendid help in directing these boys. Special thanks and appreciation should go to our excellent police force.

Police Chief Jack Bartlett and every officer on his staff should feel quite proud of their courteous assistance on many, many occasions, at all hours of the day or night.

Fifty-three thousand boys were in attendance at this great Jamboree. Those fellows who came through Gettysburg really enjoyed their trip because of your thoughtfulness.

Thank you, the borough council, and all councilmen from the Chamber of Commerce, and the police for making this memorable occasion so very pleasant and enjoyable.

Sincerely,
Dr. Joseph H. Riley
Committeeman from Black Walnut District.

Hampstead, Md.

Dear Sir:

On behalf of the Maryland Synod Luther League I would like to extend our thanks for all your co-operation during our past convention. Without your help I am sure that much of the spiritual benefits of the convention would have been lost.

In doing the work of our Lord we need the close association of all people. It is this type of association that we find working with the town of Gettysburg on the convention.

Again many thanks,
In His Service,
Robert Hyson
1957 Convention Chairman

CALL POLICE IN BIRMINGHAM'S SCHOOL ISSUE

BIRMINGHAM, Ala. (AP)—Phillips High School, scene of anti-integration violence yesterday, was evacuated of its all-white student body of 2,400 today because of an anonymous bombing threat.

BIRMINGHAM, Ala. (AP)—Reinforced police were called to stand guard today both against renewed attempts by Negroes to enroll in white city schools, and against any possible violence inspired by attacks on racial segregation.

Some of the tension was eased last night when a Negro leader said he would comply with police orders to cease enrollment efforts pending school board action on integration petitions.

Police Commissioner Robert Lindbergh said that if the Rev. F. L. Shuttlesworth makes another enrollment bid at the white school "he will be stopped by the police."

Shuttlesworth, however, said he would comply with a police order that no further attempt be made to seek integration at this time.

Earlier he had said he would make another attempt today to enroll Negro students in the all-white Phillips High School "whether they kill us or not."

Shuttlesworth was beaten by an angry mob of white men when he attempted to enroll his two daughters and two Negro boys at Phillips High School yesterday. He was rescued by police after being knocked down and kicked. He escaped in his car.

Police received several complaints last night that Negroes had threatened or thrown rocks at white persons. There also were some cross burnings and other demonstrations, including a Negro hanging in effigy near Woodlawn High School. Most of these incidents were blamed on student pranksters.

Negroes led by Shuttlesworth have asked the Birmingham Board of Education for admission of their children to three all-white schools—Phillips and Woodlawn high schools, and Graymont Elementary.

Acting under Alabama's untested school placement law, the board members directed Fraser Banks, city superintendent of education, to study the petitions and report back to the board.

Steal Tires, Wheels From House Trailer

John Settle, Seven Stars, has reported the theft of two tires and wheels from his house trailer.

The theft, he said, occurred late Friday night or early Saturday morning, a period during which two truck tires and wheels were also stolen from a Leo McDermitt truck at the McDermitt cement plant east of here.

The thieves jacked up the south side of the Settle trailer, on the opposite side from Settle's house, put two blocks under it, and removed the dual tires and wheels on that side. Their action was similar to the theft at the McDermitt plant where a truck was jacked up and blocked and dual wheels removed.

Settle estimates his loss at \$95.

Milk Truck, Auto Crash; \$450 Loss

Damage totaled \$450 but not a drop of milk was spilled according to state police when a milk truck and auto collided this morning at 6:55 o'clock on the Lincoln Highway at Seven Stars, four miles west of here.

State police said Sterling Wisolzekey, 34, Littlestown R. 1, was operating a Penn Dairies truck west on the Lincoln Highway and started to make a left turn into a private drive.

As he did so a west-bound car operated by Ronald G. Gous, 19, 235 W. Middle St., crashed into the truck.

Damage was estimated at \$300 to the car and \$150 to the truck.

Arendtsville Man Is Charged By FBI

John Franklin Hammel, 21, Arendtsville, was arrested in Biglerville Monday by agents of the FBI on charges of desertion from the U. S. Marine Corps since February 6, 1956. At that time he was stationed at Camp Lejeune, N. C.

Hammel was confined in the Adams County jail and later released in custody of the Shore Patrol for removal to Philadelphia. He is married and a native of Altoona, Pa. The announcement of the arrest was made by Carl E. Hennrich, special agent in charge of the Philadelphia office of the FBI.

DEATH

Mrs. Lloyd Starliper, 42, Waynesboro R. 4, died suddenly Saturday evening after a brief illness. She was pronounced dead upon arrival at the Waynesboro Hospital at 5:15 p.m.

She was born at Iron Springs, Adams County, a daughter of Charles and Louise Cline Sease. Her early life was lived at Rouzerville and most of her married life at Waynesboro R. 4.

She had been employed at the Fairfield Dress Factory and in July gave up her work to look after her mother who was critically ill.

She was a member of St. Rita's Roman Catholic Church of Blue Ridge Summit. She is survived by her husband and these children: Mrs. Dorothy Crapster, Cheverly, Md.; Mrs. Eugene Sprankle, of Waynesboro R. 4; Barbara Lee and Lloyd H., both at home; three grandchildren; her mother, Pen Mar, and these brothers and sisters: Howard Sease, Raymond Sease, Mrs. Emma Gross, all of Baltimore; Mrs. Genevieve Baker, Pen Mar, and Miss Vye Sease, Chambersburg.

Private funeral services were held today at 9 a.m. from St. Andrew's Church, Waynesboro, conducted by Rev. John J. McNulty. Interment in St. Andrew's Cemetery.

ADVERTISE IN THE TIMES

CUBAN REVOLT SPREADING TO ARMED FORCES

HAVANA, Cuba (AP)—President Fulgencio Batista's government moved today against any revolt in the ranks of the armed services, the chief bulwark of the Batista regime.

Sailors were jailed and army officers transferred. Loyalty checks were ordered for all military personnel.

Col. Roberto Comesanas, the naval commander at Cienfuegos when 150 sailors joined rebels last week in a bloody revolt, was replaced.

He and his aide Cmdr. Sopo Barreto were ordered to appear before the navy general staff in Havana to explain the sailor insurrection.

The new Cienfuegos commander is Col. Arsenio Arrazola. The Cuban naval rank of colonel corresponds to captain of frigate.

Despite Batista's announcement that the military services are loyal to him, the government has sent troops to Matanzas because of fear of mutiny at the naval station there, a usually reliable source reported.

The army announced the transfer of 20 lower echelon officers to new posts, mostly in the Havana area.

A maritime police chief was fired because some of his men joined in the Cienfuegos revolt.

Cuba generally is calm, except for scattered bombings. Planes and navy ships are watching the coast for possible landings of rebels from Mexico.

SYRIA CALLS URGENT SESSION

DAMASCUS, Syria (AP)—Syria's cabinet was summoned into an urgent session today as the nation's press demanded nationwide mobilization to meet what it called the threat of U. S. aggression.

Official sources said the purpose of the session was to study what they described as "U. S. anti-Syrian provocations" and to decide Syria's course.

The meeting was called on the heels of a Syrian charge that five U. S. warships steamed close to the Syrian coast Sunday.

Panama Minister Salah Bitar told Syrian newspapers this country "will not be terrorized by U. S. military demonstrations or any American war of nerves against us."

"Neither military demonstrations nor a U. S. war of nerves will make us deviate from our Arab liberation policy. On the contrary, these acts will certainly bolster our determination to adhere to our policy and defend it," Bitar said.

Two Couples Obtain Marriage Licenses

Clerk of Courts Kenneth W. Johns has issued marriage licenses to the following persons:

Jack Kenneth Staub, 20, son of Ernest E. and Marguerite M. Staub, Hanover, and Ellen Louise Beck, 17, daughter of Marion E. Shandbrook, 34 N. Queen St., Littlestown, and the late Howard M. Beck.

James LeRoy Luckenbaugh, 21, son of Harry L. and Grace E. Luckenbaugh, New Oxford R. 1, and Ingrid Maria Czapp, 17, daughter of Kurt F. and Elizabeth Czapp, Hanover.

News Briefs

LITTLE ROCK, Ark. (AP)—Gov. Orval Faubus, entrenched behind armed troops in his official mansion, watched the federal government's first legal moves today in the bitter struggle over integrating high schools in the Little Rock area.

Tension is building rapidly in the dramatic, fast-moving story. It centers at three points:

1. The federal courts where U. S. attorneys are preparing to ask an injunction, naming Faubus as one of the defendants, and restraining any further interference with the order to integrate.

WASHINGTON (AP)—Secretary of State Dulles said today he believes the Syrian situation will be worked out peacefully although there are elements which could lead to serious trouble.

He told a news conference the United States does not believe in peace at any price and under certain circumstances would act, but he did not define the circumstances or indicate the possibilities of action.

SAYRE, Pa. (AP)—Carlton J. Rounds, 61, a member of Sayre Borough Council, collapsed and died at Borough Hall last night of an apparent heart attack. Rounds, a trainman for the Lehigh Valley railroad, had just attended a Council meeting.

WASHINGTON (AP)—Lt. Col. William J. McDermott, 43, an Army officer assigned to the joint chiefs of staff, collapsed and died on the steps of the Pentagon yesterday. He was a native of Allentown, Pa.

A medical officer said a cerebral hemorrhage was the apparent cause of death.

Weddings

Lawyer—Feaser

Miss Gayla Y. Feaser, daughter of Mr. and Mrs. William J. Feaser, 220 Penn St., Hanover, and Gerald C. Lawver, Biglerville R. 1, son of Mr. and Mrs. Earl Lawver, were united in marriage Saturday afternoon at 2 o'clock in the Grace EUB Church, Hanover. The Rev. William E. Yingling officiated at the double-ring ceremony.

The bride was given in marriage by her father. She wore a ballerina length gown of imported Chantilly type lace and crystal beaded tulle over satin and a fitted bodice with a high neckline, Peter Pan collar and long sleeves tapering to points over the hands. The fingertip veil was attached to a fan shape hat of lace trimmed in pearls and rhinestones.

Reception Is Held

In addition she wore a pearl necklace and earrings and carried a white Bible topped with an orchid and red rosebud streamers.

The maid of honor was Mrs. Diane M. Auchey, Spring Grove R. 1, sister of the bride. She wore a pink lace strapless bodice with a full pink net and lace skirt over taffeta with a matching lace jacket and pink accessories. She carried a colonial bouquet of pink roses, white carnations and yellow chrysanthemums.

The best man was William E. Auchey, Spring Grove R. 1, brother-in-law of the bride.

A reception was held at the Victory Restaurant for the immediate families after which the couple left on a wedding trip to Niagara Falls. The bride chose a blue suit with black accessories and an orchid corsage as her traveling attire. They plan to reside at 220 Penn St., Hanover, upon their return.

Mrs. Lawver is a graduate of Hanover High School, with the class of 1956, and is employed by Lana Lobell Inc., Hanover, as a clerk. Mr. Lawver is a graduate of Biglerville High School with the class of 1955 and is employed by the C. H. Musselman Co., Biglerville.

Sibert—Borneman

Miss Georgiana Borneman, daughter of Mr. and Mrs. Walter H. Borneman, of Lyubrook, N. Y., was married to Lt. Robert L. Sibert, son of Mr. and Mrs. Raymond A. Sibert, New Oxford, Saturday, in St. Thomas' Episcopal Church, Malverne, N. Y. The Rt. Rev. Jonathan G. Sherman, suffragan bishop of Long Island, officiated.

Miss Sallyann Mock, of Nyack, N. Y., was the maid of honor. Other attendants were the Misses Mary Albaugh, of Baltimore, and Ruth E. Sibert, sister of the groom. Lt. John O. Cheney, of Port Huron, Mich., was the best man. Ushers were David L. Sibert, brother of the groom, and John R. Burleigh, cousin of the bride.

The bride graduated from Lynbrook High School in 1952 and Gettysburg College in 1956.

The groom graduated from New Oxford High School in 1951 and Gettysburg College in 1955. He is a first lieutenant in the United States Army Signal Corps and is stationed at Fort Riley, Kansas.

The couple will reside at 222 North Juliett Ave., Manhattan, Kan.

New Floor Care Ends Waxing

One of the difficult jobs of house-keeping is to wax linoleum and asphalt tile floors. Now, thanks to Glaxo, it's no longer necessary to wax and scrub; just apply Glaxo about twice a year. It maintains a high lustre, non slip coating that seals out dirt. Glaxo dries in one hour and is water clear. It's cheaper than wax in the long run, besides saving a terrific amount of work, plus truly a beautiful floor.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

FIFTY YEARS AGO

Meeting Of Council: The regular monthly meeting of the Town Council was held on Tuesday evening. Members present — Gilbert, Wisotzky, Hamilton, Hammond, Wierman, Beck, Tawney and Foutz.

Quite a good many matters were discussed relative to the good of the town.

Mr. Beck reported the light lowered on Water street, at Culp's; that same would be more satisfactory to residents of that section. A general discussion followed in regard to bettering the facilities for fighting fires.

Quite a good many suggestions were made, and the final result was the appointing of a committee to wait on Water Company in reference to have them erect a stand pipe. Some plan must be adopted to give more water pressure than they now have. Messrs. Wisotzky, Hamilton and Tawney were appointed as a committee.

General Local Jottings: Amos Baker bought of Joseph Porry, of Hamilton Twp., his farm of about 50 acres on private terms.

Clair Hollinger, one of the best known young men of Abbotstown, left last week for Altoona, where he has accepted a position in the Pennsylvania R. R. freight offices. Wagon-maker Leese, of East Berlin, bought a hickory tree from Geo. Fissel, of that place, that was 110 feet high. It cut a log 46 feet long, 2 feet 10 inches in diameter at the stump and 23 inches at the top end.

Vulcanizer Exploded: On Wednesday while Dr. Wm. R. Snyder, of New Oxford, was vulcanizing several sets of artificial teeth, the boiler of his vulcanizer exploded, taking part of his house along. The Dr. had just placed it over the flame of the stove used for the purpose and had gone to his dinner when the explosion took place.

Local Miscellany: "East Lynne" tonight — Xavier Hall.

The stone bridge over Marsh creek at Bream's on the Fairfield road is being repaired.

Work on the new house being erected by Edgar Crouse on Broadway is progressing rapidly.

The game of baseball scheduled for Friday afternoon between the York and Gettysburg Elks was cancelled by the former.

The furniture factory in this place continues to flourish. Two car loads of furniture were shipped last week and the company has many orders booked. About 60 hands are now employed at this progressive industry.

Register and Recorder Steffy has moved to the McSherry property, corner of Baltimore and High streets, and the Eberhart family from same building to the Eagle Hotel.

A new stable has been built by Penrose Myers on the site of the one recently destroyed by fire. It is covered with a galvanized roof, which is a wise move, being a precaution against fire.

Opening Of College: Thursday college will open for the fall term and many of the students are now here.

Although the college authorities refuse to prophesy, except in a general way, it is already clear that the enrollment in College and Preparatory will surpass that of last year. It is probable that the enrollment in the college proper will reach 240 and in Preparatory will be little, if any, below 60.

Happenings In And Around Town: The local dairymen will raise the price of cream from 15 to 20 cents per quart, beginning Sept. 15th. The price of milk will remain the same.

Harry C. Lackner is improving his house on Chambersburg street. The floor in the front part is being lowered, the walls have been repaired and other improvements are being made which adds greatly to the building.

Elected Assistant Principal: On last Friday evening Miss Mary Fissel, a daughter of John Fissel, Steinwehr Ave., and a member of the Class of '07 of Gettysburg Col-

Today's Talk

THE SOUNDS OF YOUTH

Most of my early life was spent in small towns. You would take a walk and within a half hour you would be out of the town's limits. Then it was that you would hear sounds from night birds, the distant whistle of locomotives, perhaps a church bell or whistle of the wind.

It was on the farm, however, that the most familiar sounds seemed to cluster. How many times during the summer I was fascinated by the distant cluck of the cow bell! To this day it is magic to my ears. A few years ago I came across one of those bells and during my vacations I carry it with me, as a reminder of my youth.

My father, being a minister, I had the job as janitor of the church, and so rang the big bell, calling people to worship. In the country I loved the calls and songs of the birds, the meadow lark, the night hawk, the whippoorwill, wild pigeons, the bobolink, and many others.

I recall how amusing and pleasant was the chirp of the crickets, and how friendly they seemed. Another familiar sound was that of the frogs in the pools and small lakes near town. What a world of mystery and magic the youth of today miss who have never experienced farm life, and who have missed the brilliance of the stars on a clear night. I used to sit with my mother on the "front steps" and just listen!

Nature is full of sounds and music. And in daylight the call of various birds is enchanting. I would be lonely without their friendly songs, and their cheerful way of life, no matter where I might live.

Tomorrow Mr. Adams will talk on the subject: "Walking."

POLITICAL SPEECH

I do not ask you vote for me.
'Tis not the office that I seek.
I pledge if chosen I shall be
That I shall keep the oath I speak.

'Tis for the right I stand to plead.
Not I, but truth your ballots need.

I would not play the hypocrite
To win for me a single vote,
Or unto selfish groups submit
Or let a lie escape my throat.

Votes unto principles should go;
With principles the man should know.

These are the truths for which I stand
And pledge with heart and mind to serve.

If these your sense of right command,
I hold your ballot they deserve.
Not one of them would I betray
To win the office for a day.

Strange speech for any man to make;
From office seekers seldom heard.

Politically a mistake,
Some men would call it, every word.

Yet, dare one take this stand,
Then he
Beyond a doubt elected would be.

CONTRACTS FOR

(Continued From Page 1)

fuel oil at Baltimore on September 1. Some of the bids were not clear on that point and will be checked. Dr. R. D. Wickerham, board president, announced that the finance and planning committee of the board will make a study of the involved question of liability insurance for school employees before the matter is brought before the board for action.

John P. Koontz, Hanover, was awarded the contract for supplying bituminous coal to Lincoln School, about 65 tons. Koontz, the present supplier, bid \$9.20 per ton and Keystone Coal Sales Company of Harrisburg bid \$9.15 per ton. The contract was awarded after a comparison of the analyses supplied by the bidders.

Superintendent H. Edgar Riegler announced that the extra serving lines have not yet been installed in the high school cafeteria but are promised by September 18.

Reject Tent Cafeteria

Considerable time Monday evening was spent on a request from Jehovah's Witnesses for permission to set up a tent cafeteria in the rear of the high school building to feed approximately 1,200 expected here for an area meeting the weekend of October 19. Last month the school board had granted the organization use of the high school auditorium on a regular rental basis but had refused to let outside caterers use the high school cafeteria.

After framing an involved motion stating terms on which the tent facilities might be set up, the board defeated the motion 12 to 11 and dropped the subject.

A letter from Harold Cluck, of the Witnesses, had asked permission to place a 40x60 tent to house cafeteria facilities. There was a motion that permission be granted if the tent was erected after school Friday and removed by 7 a.m. the next Monday; that \$50 be posted with the board to insure restoration of the tent site; that liability insurance be asked at the discretion of legal counsel for the school district and that a check be made to see if such an operation would jeopardize school fire insurance.

Urges School Payments

School Business Manager Kenneth G. Reinhart Jr. asked member boards to "keep making payments" into the jointure treasury. "We need the money to operate and there's a payroll to meet this week-end." He distributed copies of an annual financial report showing the amounts paid by the various districts during the last school year.

It revealed that Cumberland, Franklin and Strasburg owned the jointure amounts ranging from \$3,149 from Strasburg to \$9,233 from Franklin on July 1 when the fiscal year ended.

These payments already have been made by the various districts to the jointure so far this fiscal year. Reinhart said: Cumberland, \$26,000; Franklin, \$19,000; Freedom, \$850; Highland, \$3,000; Mt. Joy, \$2,000, and Strasburg, \$21,500. A statement will be given the boards next month on their status on 1957-58 payments.

Audited copies of annual financial reports for the school district, the athletic association, special activities fund and the two school cafeterias were received by the board without reading.

Bills totaling \$6,793 were ordered paid.

Admit Outside Teachers

On recommendation of Superintendent H. Edgar Riegler, the board voted to allow the Millersville State Teachers' College to send student teachers into the local schools.

Mr. Riegler also reported on the "tremendous success" of the day of orientation held for the district's 21 new teachers on August 27. He also reported on the meeting held

for all teachers the day before school opened. He submitted enrollment reports for all grades and buildings, already published.

Mr. Riegler also secured board approval on these lists of approved substitute teachers for grade and high school: High School, John Anderson, Bernice Bailey, Mrs. Mary Lou Burkholder, Mrs. Dorothy Craver, Mrs. Raymond Davis, Mrs. Betty Ecker, Mrs. Elizabeth Hull, Miss Ruth McIlhenny, Mrs. Edith Reinhart and Mrs. Louise Slichter. For Grade school: Mrs. Thomas Arnold, Mrs. Maybelle Forney, Mrs. Ann Freed, Mrs. Suzanne Harbach, Mrs. Martha Kilmer, Mrs. Margaret Kohler, Mrs. Gladys McCaulin, Mrs. Donna Madison, Mrs. Anna K. Marling, Mrs. Sally Musselman, Mrs. Grace Ogden, Miss A. Grace Sachs, Mrs. Margaret N. Scott, Mrs. George J. Wolfe and Mrs. Jean Zundel.

Other Business

On recommendation of the property committee, the board agreed to the erection of a sign in front of the high school for the Athletic Boosters' Club giving football schedules. The sign and its site will be subject to the approval of the property committee.

Riegler invited the directors to inspect the coal bin at Meade School which has been transformed into a class room. "We got a lot for our money there," he remarked.

A meeting of the joint transportation committee was announced for September 20.

Christ Lutheran congregation was granted permission to use Keefeauver cafeteria for a congregational dinner October 23. Richard Krick was given permission to use the Keefeauver School lobby for a private showing of his paintings September 29 and the county superintendent's office was granted use of a high school classroom for a teachers' course in "Professional Practicum" to be presented the first semester by Shippensburg State Teachers College.

Treasurer Reports

A letter of appreciation for "consideration and courtesies" extended to her by the school board was read from Miss Ruth McIlhenny who retired this year as a high school teacher.

The monthly report of the school district treasurer, the Gettysburg National Bank, showed a current balance in the general fund of \$13,406. Tuition payments in the last month totaled \$15,000 and expenses totaled \$31,862.

Mr. Folkenroth was given permission to attend a forthcoming national convention of elementary principals.

The annual audited report for the high school cafeteria, filed by the board Monday evening, showed receipts exceeded costs last year of \$4,330 which goes into the cafeteria fund for replacement of equipment. Lunches brought in \$23,589; other sources, \$20,768, and lunch and milk subsidies, \$7,865. Labor costs totaled \$10,579; food, \$35,049 and other costs, \$2,264.

The report for the Keefeauver cafeteria showed \$20,873 from lunches; \$4,050 from other sources; \$6,001 from lunch and milk subsidies; \$7,728 spent for labor; \$19,441 for food and \$999 for other expenses. A profit of \$2,757 was reported for the cafeteria fund.

various improvements made to the YWCA as a result of the renovation program which began July 1 and ended last week, after which the directors went on a tour of the building.

Among major changes is the re-pointing and cleaning of the exterior walls; changes in the office part of the building; installation of new first floor toilet facilities; changes in the second floor Y-Teens game room, installation of a new kitchen and general renovations throughout the entire structure.

Activities Reported

Mrs. Arthur Rice reported for the Y-Teens and Mrs. Albert Bachman outlined a program of activities for the year. Among planned activities are the first meeting of the Golden Age group September 25. The Golden Age group is open this year to both men and women over 60 years of age.

Mrs. Bachman also reported on plans for an "Open House" to be held at 8 p.m. on Thursday, October 24.

Mrs. Hadwin Fishel urged more persons to become members of the YWCA at annual dues of \$1.50.

It was announced that a meeting of the general public and public affairs committee on the theme "The Work of Congress to the Present Date" will be held September 19 at 2 p.m. at the YWCA.

Taneytown Youth Pays 2 Code Fines

Donald T. Baker, 21, Taneytown, was apprehended late Saturday night by Hanover police near Forest Park after a chase and charged with two motor code violations on which he paid fines of \$10 each and costs at a hearing before Justice of the Peace William Y. Nail Jr., Hanover. He was arrested on charges of reckless driving and passing other vehicles at intersections. Richard L. Crushong, 22, Taneytown, owner of the car driven by Baker, was charged with permitting the violation to occur. He paid a fine of \$25 and costs at his hearing before Nail.

Other motorists apprehended by Hanover police over the weekend for motor code and local traffic violations were reported as Dorothy E. Topper, New Oxford R. 2, stop sign,

New York And Milwaukee Could Eliminate Pesky Competitors During Week

By ED WILKS
The Associated Press
This is the week the New York Yankees "win" the 1957 American League pennant for a fourth time—or perhaps lose it for good. It's also a week in which the National League race could tighten because Milwaukee's first-place Braves are loose.

Everyone knew the Yankees had done it again when they took three of four from the Chicago White Sox in late June. In short, the Yankees won the flag June 23.

Trouble was, the White Sox didn't die. By the middle of July they were just two games back after beating the Yankees in the first game of a double-header at Chicago. But the Sox blew the nightcap and that did it.

In short, the Yankees won the flag July 14.

Trouble was, the White Sox didn't die. They were just 3½ games behind by late August and the Yankees were in a slump. So the Yankees "slumped" to a three-game sweep for a 6½-game bulge.

Sox Fight Back
In short, the Yankees won the flag on Aug. 29.

Trouble was, the White Sox didn't die. Fact is, it's the Yankees who are being checked for signs of life these days after losing 6 of 11 since that "clinging" sweep at Chicago.

With the White Sox, now 5½ back, due for a two-game set at Yankee Stadium this weekend, it appears Manager Casey Stengel is through playing cat and mouse.

Ol' Casey wanted Sal Maglie and the Yankee dollar got him from Brooklyn to help a pitching staff that at the moment has managed only three complete games in the last 21. But with sore-arm Whitey Ford apparently back in shape, things look good enough on the mound and Stengel has turned to strengthening his "unbeatable" bench.

Yanks Bolster Squad
Mickey Maule is out of the hospital, but still uncertain because of shin splints; Yogi Berra is out with a bruised and swollen, but not broken, right thumb, and Hank Bauer's cracked thumb is on the mend. So the Yankees have picked up a pair of outfielder-pinch hitters in Bobby Del Greco, the good-field-no-hit kid from Pittsburgh via St. Louis, Chicago and Montreal, and John (Zeke) Berra, who hit .309 at Denver.

Both will be on hand tonight when the Yankees open their last home stand against the West with Cleveland. The White Sox, who play 14 of their remaining 19 games on the road while the Yankees play 13 of their 16 at home, are at Boston tonight.

No Pressure On Braves
In the NL, Milwaukee and second-place St. Louis make their final stands against the East with the Braves insisting "we're not feeling any pressure" in answer to queries on how they managed to lose three games from their 6½-game lead over the Braves.

The Braves play Pittsburgh tonight while the Cardinals, with Stan Musial still sidelined because his ailing shoulder lightened up after a pinch-hit job Sunday, meet Philadelphia. The Dodgers, seven games back, are at Chicago.

Boy, 15, To Die In Electric Chair

PHILADELPHIA (AP) — Isaiah (Deuce) Green Jr., 15, denounced with his two companions as "young savages," was sentenced to death yesterday for the holdup murder of an elderly druggist.

Green, the youngest killer in Pennsylvania's history to be given the death penalty, collapsed as his sentence was pronounced by Judge Byron A. Miller. Green was carried from the courtroom.

Green and two companions, also teen-agers, pleaded guilty to the murder of Jacob Wallfield, 75, in the latter's drugstore during an attempted holdup last July. Green admitted firing the shotgun.

The other two, Edwin (Heavy) Walker, 14, and James (Smiley) Crowson, 15, were sentenced to life imprisonment.

All three are Negroes.

6,500 Men Fight 75 Forest Fires

SAN FRANCISCO (AP) — Some 6,500 men continued today to fight 75 forest, brush and grass fires in tinder dry California.

National Forest Service and State Forestry Division crews, aided by honor farm convicts and volunteers, moved in with bulldozers to clear fire breaks.

They also dumped chemical solutions from tanker planes and patrolled with tank and pump trucks.

Del Greco Bought As Aide To Mantle

NEW YORK (AP) — The New York Yankees again have dipped into the National League bargain basement and have come up with outfield insurance as they start their final home stand today.

The Yankees bought slick-fielding, weak-hitting Bobby Del Greco, 24, from the Chicago Cubs yesterday. Bobby, a speedy centerfielder, was expected to spell Mickey Mantle, crippled in the last week with painful shin splints.

New York meets Cleveland at Yankee Stadium tonight to start a 13-game stand against every team in the league except Washington. First-place New York leads the Chicago White Sox, in second, by 5½ games.

Del Greco broke in with Pittsburgh in 1952 when he was 19.

MAJOR SPORTS AT GHS BROUGHT IN \$3,717 GATE

Gettysburg High School football gate receipts last season totaled \$3,717 and basketball brought in \$1,248 at the doors to form the principal receipt item for the Gettysburg High School Athletic Association in the year ended July 1, according to the audited financial report of the association which was submitted to the Gettysburg Joint School Board Monday evening at its September meeting at the high school building.

The association wound up the year with a balance of \$282.00 as compared with the \$328.00 balance with which it opened the fiscal year on July 1, 1956.

Senior high football games brought in \$3,668 at the gate and Junior High games \$49.40. Senior High school basketball games showed gate receipts of \$1,126 while basketball brought in an extra \$121.95. An additional gate receipt item of \$9 is shown but the report does not indicate in which category it belongs.

Gettysburg received \$650 in guarantees and program sales brought in \$249.87 and advertisements in the football programs netted \$927.50. The Athletic Association got an allotment of \$1,196 from the Student budget. Miscellaneous receipt items included \$48 from the school board for bus transportation for the school band and \$20 from the Boosters' Club.

On the expense side of the report Gettysburg paid out \$775 in guarantees and officials' pay totaled \$1,042.50. Game expenses at home came to \$821.98 and game expenses on trips totaled \$352.55. Supplies for the department cost \$110.

There was \$1,148 spent on new equipment and almost an equal amount, \$1,147, was spent to have old equipment cleaned and repaired.

The association spent \$600 to have football bleachers painted. Awards cost \$207 and the cost of football programs came to \$462.50. Other expense items were listed as follows: Telephone, \$24.10; conference expense, \$59.65; PIAA dues, \$21.50; scouting, \$30.10; football meals, cafeteria, \$250; Shoemaker conference, \$100; Romeo Capozzi, \$5; reserved seat tickets, \$48.75; postage, \$6; Hulls Electrical Service, \$56.91; lime and fertilizer, \$30.72; George Zerting, \$18.03; and conference met, \$9.

Other sections of the report showed \$192.25 spent out of the hospitalization fund and \$270 added to the hospitalization savings fund from football concessions.

The two hospitalization funds, checking and savings, show balances totaling \$3,798.

The financial report was signed by Fred G. Troxell, treasurer, and audited by the borough auditors S. Richard Eisenhart, Percy S. Miller and John W. Hewitt.

Queen Will Use U. S.-Made Plane

LONDON (AP) — Queen Elizabeth II will have to use a U. S.-made airliner for her trip to the United States and Canada next month. Britain's new turboprop liner won't be ready in time.

Indignant London newspapers gave that word to the British public today. They reported any lingering hope that the Queen might be able to fly in Britain's own new Britannia 312 had been dashed by an announcement from the British Overseas Airways Corp.

The first 312 is being delivered today, six months behind schedule. This leaves so little time for necessary pioneering commercial flights that there is no longer any thought of using the plane for the Queen's transatlantic flight.

The reorganization meeting of the York-Adams County Soccer league, scheduled for Monday evening at Dover High School, has been postponed until Thursday evening at 7 o'clock at the same site.

Conflicts prevented several schools from being represented last evening thus causing the postponement.

Mapping Series Plans

Baseball commissioner Ford Frick meets with executives of first and second place clubs in American and National Leagues in his New York office Monday to discuss details for 1957 World Series. Standing are Frank Lane, left, of St. Louis Cardinals, and Charles "Chuck" Comiskey, of Chicago White Sox. (AP Wirephoto)

GHS AND OWLS IN 9TH CLASH HERE FRIDAY

When Westminster and Gettysburg High meet here Friday evening to inaugurate the 1957 football campaign it will mark the ninth game in a series begun in 1948.

The Owls, who expect their current team to be one of their best in history, have won the last three years after having dropped the first five games of the series.

Gettysburg's victories were registered as follows: 1948, 47-0; 49, 12-0; 50, 13-6; 52, 25-0; and 53, 13-0. The Owls won as follows: 1954, 19-14; 55, 13-12, and 56, 12-0. No game was played in 1951.

This year Coach Herb Ruby has a larger squad that is well stocked with lettermen—a total of 10—and all are expected to be in the lineup against the Warriors.

Among the key men lost last year by graduation was Jim Head, brilliant quarterback. Jay Moyer, 175-pound senior, is being groomed to fill Head's position.

MITEFF SEEKS EARLY "KAYO"

DENVER (AP) — Swift-punching Alex Miteff, 22, rising heavyweight from Argentina, is expected to fire early and often tonight in a bid for a quick knockout of John Holman, Chicago veteran.

The undefeated husky from Buenos Aires meets Holman, 30, in a scheduled 10-rounder before a Denver Coliseum crowd that will include leaders in the National Boxing Assn., holding its 38th annual convention here.

Miteff's handlers admit they'd like him to impress the NBA mobsters with a fast kayo that would boost Miteff's ranking several notches above his present No. 8 rating among contenders for Floyd Patterson's heavyweight championship. Holman is unranked.

Miteff is aiming for his 12th straight victory. Holman has won 31, lost 15 and drew one.

The ambitious South American ruled an 8-2-5 favorite. Promoter Milt Wilner said "I wouldn't be surprised if there was a crowd of 10,000. This fight has really caught on."

Observers figure a crowd of 6,000 to 7,000 is more likely for the bout that will not be televised or broadcast. It will start about midnight EST.

Tito Welcomes 2 Top Police Reds

BELGRADE (AP) — Poland's Communist party chief Wladyslaw Gomulka and Josef Cyrankiewicz arrived by plane today for talks with President Tito.

The Yugoslav President and his top aides met the Polish delegation at Belgrade's flag-bedecked airport.

Accompanying the top Polish leaders were former Communist party boss Edward Ochab, Foreign Minister Adam Rapacki and a group of foreign affairs experts.

The Belgrade meeting—the first between Gomulka and Tito in more than 10 years—is aimed at strengthening ties between the two independently inclined Communist countries.

GHS Booster Club To Seek 1,500 Members; Distribute Player Photos To Stores

Distribution today of 25 large individual pictures of Gettysburg High School varsity football players for display in business places; establishment of \$1 as the price for the 1957-58 Booster Club tickets, and plans for the erection of a large lighted sign containing the high school football schedule at the school formed the principal items of business transacted at a meeting of the directors of the Gettysburg High School Booster Club Monday evening at the REA offices, N. Stratton St.

The booster pictures of squad members were "sold" to business places who first requested them after the Booster Club had announced the project some time ago.

The pictures will be displayed throughout the season after which they will probably be given to the player. Lettering on the photos was done by Eugene Sickles.

Tickets For \$1
A goal of 1,500 members for the Booster Club was set after it was decided to reduce the price for the new tickets to \$1. Last year membership tickets were sold for \$3. All funds derived through the sale of tickets will be used to support the many projects being undertaken by the club in order to build up more support for local athletic teams.

Coach Ben Jones told the directors that Ben automobiles are currently transporting 17 bags on the football squad to their homes daily requiring driving approximately 54 miles. Expenses for the transportation are being borne by the club.

The new Warrior mentor, reported that he now has 39 on his varsity squad. He also reported there are 42 candidates for the Junior High squad, 26 for the seventh and eighth grade Squads, and 18 on the Junior varsity.

A blue print for a large sign to be placed on the high school property near the walk leading from Baltimore St. to the school building was ordered drawn up after which it will be submitted to the school board for approval. It will contain the football schedule and will be lighted.

It was reported that Charles Robie, owner of the High Fidelity Center, Baltimore St., will play football music over a loud speaker from noon until evening on days of games.

Following the meeting most in attendance helped decorate the window of the Jay Schmitt Interior Decorations store, Lincoln Square, with football equipment, a dressed football figure, squad picture, schedule, etc. The form for the player was loaned by Pitzer's Men's Wear.

President John Stahlke presided at the meeting which was attended by Robert Smith, Eugene Hartman, Robert Weaner, Don Manning, Kenneth Dengler, Charles Smith, Stover Small, Ben Jones and Don Bream.

Johnson And Bethea In Battle Tonight

PHILADELPHIA (AP) — Harold Johnson and Wayne Bethea clash tonight in a 10-round bout that could put a decisive winner into talking position for a meeting with heavyweight champion Floyd Patterson.

Johnson, still on the comeback trail after his "bitter orange" incident in May, 1955, already has regained his position as the No. 1 challenger for Archie Moore's light heavyweight crown.

But Johnson said recently that he was more interested in meeting Patterson.

Johnson will carry an edge in experience against Bethea, who at 200 pounds or thereabouts will have a 20-pound weight pull.

The bout will be Johnson's first in Philadelphia since he collapsed in a fight with Julio Mederos before a national TV audience in the "bitter orange" incident. Johnson, and after the fight he apparently had been drugged. He implied the drugging had been done through the orange, which he ate shortly before entering the ring. He subsequently was suspended for six months.

PEREZ DEFEATS BELL; LOOKS TO COME BATTLE

NEW YORK (AP) — Having gained the edge over Bobby Bell, Brooklyn's Lulu Perez today was looking forward to a chance to square accounts with Harold Gimes.

Perez, 24, an 8-5 underdog, staggered Bell, Youngstown, Ohio veteran, four times in an action-packed, return 10-rounder at St. Nicholas Arena last night to earn a unanimous decision.

In their first fight Aug. 10, Bell got a draw on a strong finish.

Perez weighed 135½ to Bell's 128½, the first time. In the return bout he weighed only 131½, but appeared to hit with more power.

3 Warnings To Bell
Bell, 129½, again shook Lulu early in the first round with a nifty left hook but Lulu rallied and jarred Bobby with a right to the jaw late in the round.

Perez also wobbled his scrappy foe in the fifth, eighth and 10th rounds.

Bell, 29, warned three times for fouls by Referee Harry Ebbsels, was penalized the eighth for a low blow. Perez had won it anyway.

Ebbsels had Perez the winner, 8-2. Judges Art Adala (6-4) and Harold Barnes (5-4-1) also voted for Perez. The AP had Perez ahead, 8-2.

Eastern League

By THE ASSOCIATED PRESS
Binghamton and Reading are each one game along the road to the Governors' Cup as the Eastern League semifinal playoffs go into their second day.

The best-of-five series got under way last night as the Binghamton Triplets, holders of the pennant, pounded visiting Albany, 19-1, and the Reading Indians, invaded Schenectady to deal a 12-7 trouncing to the second-place Blue Jays.

Richie Windle snapped out of a long slump to lead the Triplets to their triumph over the No. 4 Senators. Windle, who had been hitting only .182 since July 17, hit two doubles and two singles and drove in six runs.

Struck Out Nine
Winning pitcher Cleo Lewright struck out nine batters and walked one. An inside-the-park homer by Albany's Dick McCarthy spoiled his shutout.

At Schenectady, Reading's Wynn Hawkins came up with a one-hit relief pitching performance. He took over for starter Jim Peete in the third inning after a grand slam home run by George Morgan had sent the Blue Jays out from 7-4.

With Hawkins curbing Schenectady batters, the Indians collected two more tallies in the fifth inning, 8-6, and in the big seventh, 10-6. The playoffs continue tonight at Schenectady and Binghamton.

SPORTS IN BRIEF

GENERAL
NEW YORK — Needles, the 1956 Kentucky Derby winner who has been plagued with injuries this year, has been retired to the stud after earning a total of \$600,355 over for starter Jim Pette in the third inning after a grand slam home run by George Morgan had sent the Blue Jays out from 7-4.

With Hawkins curbing Schenectady batters, the Indians collected two more tallies in the fifth inning, 8-6, and in the big seventh, 10-6. The playoffs continue tonight at Schenectady and Binghamton.

WARREN SPAHN LEADS NL WITH MOUND AVERAGE

NEW YORK (AP) — Left-hander Warren Spahn of the Milwaukee Braves, who is heading toward his eighth 20-victory season, has taken over the National League lead in the earned run competition.

Spahn has an ERA of 2.75, figures compiled by The Associated Press disclosed today. With a 19-8 record, he has yielded 71 earned runs in 292 innings.

The Milwaukee ace, earned run champion in 1947 and 1953, has permitted 10 earned runs in his last 63 innings for a 1.43 average. Warren has posted four shutouts.

Turley Tops In AL
Bob Turley of the New York Yankees, the top American League pitcher with a 2.18 ERA, has given up 42 earned runs in 159 innings, while winning 11 games and losing five.

The National League race is one of the tightest in many seasons. Right behind Spahn come Johnny Podres of Brooklyn with 2.77, Don Drysdale of the Dodgers, with 2.83, Vernon Law of Pittsburgh, 2.86, and Bob Buhl of Milwaukee with 2.93.

Podres leads both circuits in shutouts with six. He has blanked Pittsburgh and New York twice each and Philadelphia and St. Louis once. The young southpaw has an 11½ win-loss record.

Runners In Second
Jim Bunning of Detroit and Bobby Shantz and Tom Sturdivant of the Yankees are in contending positions behind Turley in the American League.

Bunning is second with 2.54. The right-hander has allowed 65 earned runs in 230 innings and put together a 17-7 mark. Shantz is third with 2.59, followed by Sturdivant's 2.66. Bunning has yet to pitch a shutout while Shantz has one and Sturdivant two.

Turley, who has emerged as one of the major circuit's most reliable mound-men, has four shutouts. He is scheduled to work against the Cleveland Indians tonight as the Yanks seek to protect their 5½ game lead.

Stanford Leads High
Billy Pierce of the Chicago White Sox, whose 19 triumphs lead the American League, has an ERA of 2.96. Frank Sullivan of Boston, with 2.74, and Dick Donovan of the White Sox, with 2.84, are the only other pitchers under the 3.00 mark.

Jack Sanford, Philadelphia's brilliant rookie who leads the National in strikeouts with 170, also has a chance for his long-sought ERA crown. He is at 3.01 with 70 unearned runs in 269 innings.

Trouble was, the White Sox didn't die. By the middle of July they were just two games back after beating the Yankees in the first game of a double-header at Chicago. But the Sox blew the nightcap and that did it.

In short, the Yankees won the flag July 14.

Trouble was, the White Sox didn't die. They were just 3½ games behind by late August and the Yankees were in a slump. So the Yankees "slumped" to a three-game sweep for a 6½-game bulge.

Sox Fight Back
In short, the Yankees won the flag Aug. 29.

Trouble was, the White Sox didn't die. Fact is, it's the Yankees who are being checked for signs of life these days after losing 6 of 11 since that "clinching" sweep at Chicago.

With the White Sox, now 5½ back, due for a two-game set at Yankee Stadium this weekend, it appears Manager Casey Stengel is through playing cat and mouse.

Ol' Casey wanted Sal Maglie and the Yankee dollar got him from Brooklyn to help a pitching staff that at the moment has managed only three complete games in the last 21. But with sore-arm Whitey Ford apparently back in shape, things look good enough on the mound and Stengel has turned to strengthening his "unbeatable" bench.

Yanks Bolster Squad
Mickey Mantle is out of the hospital, but still uncertain because of shin splints; Yogi Berra is out with a bruised and swollen, but not broken, right thumb, and Hank Bauer's cracked thumb is on the mend. So the Yankees have picked up a pair of outfield-pinch hitters in Bobby Del Greco, the good-field-no-hit kid from Pittsburgh via St. Louis, Chicago and Montreal, and John (Zeke) Berra, who hit .309 at Denver.

Both will be on hand tonight when the Yankees open their last home stand against the West with Cleveland. The White Sox, who play 14 of their remaining 19 games on the road while the Yankees play 13 of their 16 at home, are at Boston tonight.

No Pressure On Braves
In the NL, Milwaukee and second-place St. Louis make their final stands against the East with the Braves insisting "we're not feeling any pressure" in answer to queries on how they managed to lose three games from their 6½-game lead.

The Braves play Pittsburgh tonight while the Cardinals, with Stan Musial still sidelined because his ailing shoulder tightened up after a pinch-hit job Sunday, meet Philadelphia. The Dodgers, seven games back, are at Chicago.

Boy, 15, To Die In Electric Chair

PHILADELPHIA (AP) — Isaiah (Deuce) Green Jr., 15, denounced with his two companions as "young savages," was sentenced to death yesterday for the holdup murder of an elderly druggist.

Green, the youngest killer in Pennsylvania's history to be given the death penalty, collapsed as his sentence was pronounced by Judge Byron A. Miller. Green was carried from the courtroom.

Green and two companions, also teen-agers, pleaded guilty to the murder of Jacob Wallfield, 75, in the latter's drugstore during an attempted holdup last July. Green admitted firing the shotgun.

The other two, Edwin (Heavy) Walker, 14, and James (Smiley) Crowson, 15, were sentenced to life imprisonment.

All three are Negroes.

6,500 Men Fight 75 Forest Fires

SAN FRANCISCO (AP) — Some 6,500 men continued today to fight 75 forest, brush and grass fires in tinder dry California.

National Forest Service and State Forestry Division crews, aided by honor farm convicts and volunteers, moved in with bulldozers to clear fire breaks.

They also dumped chemical solutions from tanker planes and patrolled with tank and pump trucks.

Most of the blazes were on

Del Greco Bought As Aide To Mantle

NEW YORK (AP) — The New York Yankees again have dipped into the National League bargain basement and have come up with outfield insurance as they start their final home stand today.

The Yankees bought slick-fielding, weak-hitting Bobby Del Greco, 24, from the Chicago Cubs yesterday. Bobby, a speedy centerfielder, was expected to spell Mickey Mantle, crippled in the last week with painful shin splints.

New York meets Cleveland at Yankee Stadium tonight to start a 13-game stand against every team in the league except Washington. First-place New York leads the Chicago White Sox, in second, by 5½ games.

Del Greco broke in with Pittsburgh in 1932 when he was 19.

MAJOR SPORTS AT GHS BROUGHT IN \$3,717 GATE

Gettysburg High School football gate receipts last season totaled \$3,717 and basketball brought in \$1,248 at the doors to form the principal receipt item for the Gettysburg High School Athletic Association in the year ended July 1, according to the audited financial report of the association which was submitted to the Gettysburg Joint School Board Monday evening at its September meeting at the high school building.

The association wound up the year with a balance of \$282.00 as compared with the \$328.08 balance with which it opened the fiscal year on July 1, 1936.

Senior high football games brought in \$3,668 at the gate and Junior High games \$49.40. Senior High school basketball games showed gate receipts of \$1,126 while basketball brought in an extra \$121.95. An additional gate receipt item of \$9 is shown but the report does not indicate in which category it belongs.

Gettysburg received \$650 in guarantees and program sales brought in \$249.87 and advertisements in the football programs netted \$92.50. The Athletic Association got an allotment of \$1,198 from the Student budget. Miscellaneous receipt items included \$48 from the school board for bus transportation for the school band and \$20 from the Boosters' Club.

On the expense side of the report Gettysburg paid out \$775 in guarantees and officials' pay totaled \$1,042.50. Game expenses at home came to \$821.98 and game expenses on trips totaled \$352.55. Supplies for the department cost \$110.

There was \$1,148 spent on new equipment and almost an equal amount, \$1,147, was spent to have old equipment cleaned and repaired.

The association spent \$600 to have football bleachers painted. Awards cost \$207 and the cost of football programs came to \$462.59. Other expense items were listed as follows: Telephone, \$24.10; conference expense, \$59.65; PIAA dues, \$21.50; scouting, \$30.10; football meals, cafeteria, \$250; Shoemaker conference, \$100; Romeo Capozzi, \$5; reserved seat tickets, \$48.75; postage, \$6; Hull's Electrical Service, \$56.91; lime and fertilizer, \$30.72; George Zerling, \$16.06, and conference met, \$9.

Other sections of the report showed \$192.25 spent out of the hospitalization fund and \$270 added to the hospitalization savings fund from football concessions. The two hospitalization funds, checking and savings, show balances totaling \$3,798.

The financial report was signed by Fred G. Troxell, treasurer, and audited by the borough auditors S. Richard Eisenhart, Percy S. Miller and John W. Hewitt.

Queen Will Use U. S.-Made Plane

LONDON (AP) — Queen Elizabeth II will have to use an U. S.-made airliner for her trip to the United States and Canada next month. Britain's new turbojet liner won't be ready in time.

Indignant London newspapers gave that word to the British public today. They reported any lingering hope that the Queen might be able to fly in Britain's own new Britannia 312 had been dashed by an announcement from the British Overseas Airways Corp.

The first 312 is being delivered today, six months behind schedule. This leaves so little time for necessary pioneering commercial flights that there is no longer any thought of using the plane for the Queen's transatlantic flight.

The reorganization meeting of the York-Adams County Soccer league, scheduled for Monday evening at Dover High School, has been postponed until Thursday evening at 7 o'clock at the same site.

Conflicts prevented several schools from being represented last evening thus causing the postponement.

Mapping Series Plans

Baseball commissioner Ford Frick meets with executives of first and second place clubs in American and National Leagues in his New York office Monday to discuss details for 1937 World Series. Seated are Joseph Carrino, left, of Milwaukee Braves, and George Weiss, right, of New York Yankees. Standing are Frank Lane, left, of St. Louis Cardinals, and Charles "Chuck" Comiskey, of Chicago White Sox. (AP Wirephoto)

GHS AND OWLS IN 9TH CLASH HERE FRIDAY

When Westminster and Gettysburg High meet here Friday evening to inaugurate the 1937 football campaign it will mark the ninth game in a series begun in 1948.

The Owls, who expect their current team to be one of their best in history, have won the last three years after having dropped the first five games of the series.

Gettysburg's victories were registered as follows: 1948, 47-0; 49, 12-0; 50, 13-6; 51, 25-0; and 52, 13-0. The Owls won as follows: 1954, 19-14; 55, 13-12, and 56, 12-0. No game was played in 1951.

This year Coach Herb Ruby has a large squad that is well stocked with lettermen—a total of 10—and all are expected to be in the lineup against the Warriors.

Among the key men lost last year by graduation was Jim Head, brilliant quarterback. Jay Moyer, 175-pound senior, is being groomed to fill Head's position.

MITEFF SEEKS EARLY "KAYO"

DENVER (AP) — Swift-punching Alex Miteff, 22, rising heavyweight from Argentina, is expected to fire early and often tonight in a bid for a quick knockout of Johnny Holman, Chicago veteran.

The undefeated husky from Buenos Aires meets Holman, 30, in a scheduled 10-rounder before a Denver Coliseum crowd that will include leaders in the National Boxing Assn., holding its 38th annual convention here.

Miteff's handlers admit they'd like him to impress the NBA no-tables with a fast kayo that would boost Miteff's ranking several notches above his present No. 8 rating among contenders for Floyd Patterson's heavyweight championship.

Miteff is aiming for his 12th straight victory. Holman has won 31, lost 15 and drew one.

The ambitious South American ruled an 8-to-5 favorite. Promoter Milt Wilner said "I wouldn't be surprised if there was a crowd of 10,000. This fight has really caught on."

Observers figure a crowd of 6,000 to 7,000 is more likely for the bout that will not be televised or broadcast. It will start about midnight EST.

Tito Welcomes 2 Top Police Reds

BELGRADE (AP) — Poland's Communist party chief Wladyslaw Gomulka and Josef Cyrankiewicz arrived by plane today for talks with President Tito.

The Yugoslav President and his top aides met the Polish delegation at Belgrade's flag-bedecked airport.

Accompanying the top Polish leaders were former Communist party boss Edward Ochab, Foreign Minister Adam Rapacki and a group of foreign affairs experts.

The Belgrade meeting—the first between Gomulka and Tito in more than 10 years—is aimed at strengthening ties between the two independently inclined Communist countries.

Johnson And Bethea In Battle Tonight

PHILADELPHIA (AP) — Harold Johnson and Wayne Bethea clash tonight in a 10-round bout that could put a decisive winner into fighting position for a meeting with heavyweight champion Floyd Patterson.

Johnson, still on the comeback trail after his "bitter orange" incident in May, 1935, already has regained his position as the No. 1 challenger for Archie Moore's light heavyweight crown.

But Johnson said recently that he was more interested in meeting Patterson.

Johnson will carry an edge in experience against Bethea, who at 200 pounds or thereabouts will have a 20-pound weight pull.

The bout will be Johnson's first in Philadelphia since he collapsed in a fight with Julio Mederos before a national TV audience in the "bitter orange" incident. Johnson said after the fight he apparently had been drugged. He implied the drugging had been done through the orange, which he ate shortly before entering the ring. He subsequently was suspended for six months.

PEREZ DEFEATS BELL; LOOKS TO GOMES BATTLE

NEW YORK (AP) — Having gained the edge over Bobby Bell, Brooklyn's Lulu Perez today was looking forward to a chance to square accounts with Harold Gomes.

Perez, 24, an 8-5 underdog, staggered Bell, Youngstown, Ohio veteran, four times in an action-packed, return 10-rounder at St. Nicholas Arena last night to earn a unanimous decision.

In their first fight Aug. 10, Bell got a draw on a strong finish. Perez weighed 135½ to Bell's 128½ the first time. In the return bout he weighed only 131½, but appeared to hit with more power.

3 Warnings To Bell
Bell, 128½, again, shook Lulu early in the first round with a nifty left hook but Lulu rallied and jarred Bobby with a right to the jaw late in the round.

Perez also wobbled his scrappy foe in the fifth, eighth and 10th rounds.

Bell, 29, warned three times for fouls by referee Harry Ebels, was penalized the eighth for a low blow. Perez had won it anyway. Ebels had Perez the winner, 8-2. Judges Artie Adala (6-4) and Harold Barnes (5-4-1) also voted for Perez. The AP had Perez ahead, 8-2.

Eastern League

By THE ASSOCIATED PRESS
Binghamton and Reading are each one game along the road to the Governors' Cup as the Eastern League semi-final playoffs go into their second day.

The best-of-five series got under way last night as the Binghamton Triplets, holders of the pennant, pounded visiting Albany, 19-1, and the Reading Indians invaded Schenectady to deal a 12-7 trouncing to the second-place Blue Jays.

Richte Windle snapped out of a long slump to lead the Triplets to their triumph over the No. 4 Senators. Windle, who had been hitting only .182 since July 17, hit two doubles and two singles and drove in six runs.

Struck Out Nine
Winning pitcher Cleo Lewright struck out nine batters and walked one. An inside-the-park homer by Albany's Dick McCarthy spoiled his shutout.

At Schenectady, Reading's Wynn Hawkins came up with a one-hit relief pitching performance. He took over for starter Jim Peete in the third inning after a grand slam home run by George Morgan had sent the Blue Jays out for good, 7-4.

With Hawkins curbing Schenectady batters, the Indians collected two more tallies in the fifth inning and six more in the big seventh. The playoffs continue tonight at Schenectady and Binghamton.

WARREN SPAHN LEADS NL WITH MOUND AVERAGE

NEW YORK (AP) — Left-hander Warren Spahn of the Milwaukee Braves, who is heading toward his eighth 26-victory season, has taken over the National League lead in the earned run competition.

Spahn has an ERA of 2.75, figures compiled by The Associated Press disclosed today. With a 19-8 record, he has yielded 71 earned runs in 232 innings.

The Milwaukee ace, earned run champion in 1947 and 1953, has permitted 10 earned runs in his last 63 frames for a 1.43 average. Warren has posted four shutouts.

Turley Tops In AL
Bob Turley of the New York Yankees is the top American League pitcher with a 2.38 ERA. He has given up 42 earned runs in 159 innings while winning 11 games and losing five.

The National League race is one of the tightest in many seasons. Right behind Spahn come Johnny Podres of Brooklyn with 2.77, Don Drysdale, also of the Dodgers, with 2.83, Vernon Law of Pittsburgh, 2.86 and Bob Buhl of Milwaukee with 2.93.

Podres heads both circuits in shutouts with six. He has blanked Pittsburgh and New York twice each and Philadelphia and St. Louis once. The young southpaw has an 11-7 won-lost mark.

Bunning Is Second
Jim Bunning of Detroit and Bobby Shantz and Tom Sturdivant of the Yankees are in contention for positions behind Turley in the American League.

Bunning is second with 2.54. The right-hander has allowed 65 earned runs in 230 innings and put together a 17-7 mark. Shantz is third with 2.59 followed by Sturdivant's 2.66. Bunning has yet to pitch a shutout while Shantz has one and Sturdivant two.

Turley, who has emerged as one of the junior circuit's most reliable moundmen, has four shutouts. He is scheduled to work against the Cleveland Indians tonight as the Yanks seek to protect their 3½ game lead.

Sanford Stands High
Billy Pierce of the Chicago White Sox, whose 19 triumphs lead the American League, has an ERA of 2.96. Frank Sullivan of Boston, with 2.74, and Dick Donovan of the White Sox, with 2.84, are the only other pitchers under the 3.00 mark.

Jack Sanford, Philadelphia's brilliant rookie who leads the National in strikeouts with 170, also has a chance for his loop's ERA crown. He is at 3.01 with 70 untainted runs in 209 innings.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

FIFTY YEARS AGO
Meeting Of Council: The regular monthly meeting of the Town Council was held on Tuesday evening. Members present — Gilbert Wisotzkey, Hamilton, Hammond, Wiernam, Beck, Tawney and Fourz.

Quite a good many matters were discussed relative to the good of the town.

Mr. Beck reported the light lowered on Water street, at Culpeper, that same would be more satisfactory to residents of that section.

A general discussion followed in regard to bettering the facilities for fighting fires.

Quite a good many suggestions were made, and the final result was the appointing of a committee to wait on Water Company in reference to have them erect a stand pipe. Some plan must be adopted to give more water pressure than they now have. Messrs. Wisotzkey, Hamilton and Tawney were appointed as a committee.

General Local Jottings: Amos Baker bought of Joseph Porry, of Hamilton Twp., his farm of about 50 acres on private terms.

Clan Hollinger, one of the best known young men of Abbotstown, left last week for Altoona, where he has accepted a position in the Pennsylvania R. R. freight offices. Wagon-maker Leese, of East Berlin, bought a heifer from Geo. Fiesel, of that place, that was 110 feet high. It cut a log 46 feet long, 2 feet 10 inches in diameter at the stump and 23 inches at the top end.

Vulcanizer Exploded: On Wednesday while Dr. Wm. R. Snyder, of New Oxford, was vulcanizing several sets of artificial teeth, the boiler of his vulcanizer exploded, taking part of his house along. The Dr. had just placed it over the flame of the stove used for the purpose and had gone to his dinner when the explosion took place.

Local Miscellany: "East Lame tonight — Xavier Hall.

The stone bridge over Marsh creek at Bream's on the Fairfield road is being repaired.

Work on the new house being erected by Edgar Crouse on Broadway is progressing rapidly.

The game of baseball scheduled for Friday afternoon between the York and Gettysburg Elks was cancelled by the storm.

The furniture factory in this place continues to flourish. Two car loads of furniture were shipped last week and the company has many orders booked. About 60 hands are now employed at this progressive industry.

Register and Recorder Steffy has moved to the McSherry property, corner of Baltimore and High streets, and the Eberhart family from same building to the Eagle Hotel.

A new stable has been built by Penrose Myers on the site of the one recently destroyed by fire. It is covered with a galvanized roof, which is a wise move, being a precaution against fire.

Opening Of College: Thursday college will open for the fall term and many of the students are now here.

Although the college authorities refuse to prophesy, except in a general way, it is already clear that the enrollment in College and Preparatory will surpass that of last year. It is probable that the enrollment in the college proper will reach 240 and in Preparatory will be little, if any, below 60.

Happenings In And Around Town: The local dairymen will raise the price of cream from 15 to 20 cents per quart, beginning Sept. 15th. The price of milk will remain the same.

Harry C. Lackner is improving his house on Chambersburg street. The floor in the front part is being lowered, the walls have been repaired and other improvements are being made which adds greatly to the building.

Elected Assistant Principal: On last Friday evening Miss Mary Fiesel, a daughter of John Fiesel, Steinwehr Ave., and a member of the Class of '07 of Gettysburg Col-

Today's Talk

THE SOUNDS OF YOUTH
Most of my early life was spent in small towns. You would take a walk and within a half hour you would be out of the town's limits. Then it was that you would hear sounds from night birds, the distant whistle of locomotives, perhaps a church bell or whistle of the wind.

It was on the farm, however, that the most familiar sounds seemed to cluster. How many times during the summer I was fascinated by the distant clang of the cow bell! To this day it is magic to my ears. A few years ago I came across one of those bells and during my vacations I carry it with me, as a reminder of my youth.

My father, being a minister, I had the job as janitor of the church, and so rang the big bell, calling people to worship. In the country I loved the calls and songs of the birds, the meadow lark, the night hawks, the whippoorwill, wild pigeons, the bobolink, and many others.

I recall how amusing and pleasant was the churr of the crickets, and how friendly they seemed. Another familiar sound was that of the frogs in the pools and small lakes near town. What a world of mystery and magic the youth of today miss who have never experienced farm life, and who have missed the brilliance of the stars on a clear night. I used to sit with my mother on the "front steps" and just listen!

Nature is full of sounds and music. And in daylight the call of various birds is enchanting. I would be lonely without their friendly songs, and their cheerful way of life, no matter where I might live.

Tomorrow Mr. Adams will talk on the subject: "Walking."

Just Folks

POLITICAL SPEECH
I do not ask your vote for me.
'Tis not the office that I seek.
I pledge if chosen I shall be.
That I shall keep the oath I speak.

'Tis for the right I stand to plead.
Not I, but truth your ballots need.

I would not play the hypocrite
To win for me a single vote,
Or unto selfish groups submit.
Or let a lie escape my throat.

Votes unto principles should go;
With principles the man should know.

These are the truths for which I stand
And pledge with heart and mind to serve.
If these your sense of right command,
I hold your ballot they deserve.
Not one of them would I betray
To win the office for a day.

Strange speech for any man to make:
From office seekers seldom heard.
Politically a mistake,
Some men would call it, every word.

Yet, dare one take this stand,
then he
Beyond a doubt elected would be.

CONTRACTS FOR

(Continued From Page 1)
fuel oil at Baltimore on September 1. Some of the bids were not clear on that point and will be checked.

Dr. R. D. Wickerham, board president, announced that the finance and planning committee of the board will make a study of the involved question of liability insurance for school employees before the matter is brought before the board for action.

John P. Koontz, Hanover, was awarded the contract for supplying bituminous coal to Lincoln School, about 65 tons. Koontz, the present supplier, bid \$920 per ton and Keystone Coal Sales Company of Harrisburg bid \$915 per ton. The contract was awarded after a comparison of the analyses supplied by the bidders.

Superintendent H. Edgar Riegle announced that the extra serving lines have not yet been installed in the high school cafeteria but are promised by September 18.

Reject Tent Cafeteria
Considerable time Monday evening was spent on a request from Jehovah's Witnesses for permission to set up a tent cafeteria in the rear of the high school building to feed approximately 1,200 expected here for an area meeting the weekend of October 19. Last month the school board had granted the organization use of the high school auditorium on a regular rental basis but had refused to let outside caterers use the high school cafeteria.

After framing an involved motion stating terms on which the tent facilities might be set up, the board defeated the motion 12 to 11 and dropped the subject.

A letter from Harold Cluck, of the Witnesses, had asked permission to place a 40x60 tent to house cafeteria facilities. There was a motion that permission be granted if the tent was erected after school Friday and removed by 7 a.m. the next Monday; that \$50 be posted with the board to insure restoration of the tent site; that liability insurance be asked at the discretion of legal counsel for the school district; and that a check be made to see if such an operation would jeopardize school fire insurance.

Urges School Payments
School Business Manager Kenneth G. Reinhardt Jr. asked member boards to "keep making payments" into the jointure treasury. "We need the money to operate and there's a payroll to meet this week-end." He distributed copies of an annual financial report showing the amounts paid by the various districts during the last school year.

It revealed that Cumberland, Franklin and Straban owned the jointure amounts ranging from \$3,149 from Straban to \$9,233 from Franklin on July 1 when the fiscal year ended.

These payments already have been made by the various districts to the jointure so far this fiscal year. Reinhardt said; Cumberland, \$26,000; Franklin, \$19,000; Freedom, \$850; Highland, \$3,000; Mt. Joy, \$2,000, and Straban, \$21,500. A statement will be given the board next month on their status on 1957-58 payments.

Audited copies of annual financial reports for the school district, the athletic association, special activities fund and the two school cafeterias were received by the board without reading.

Bills totaling \$6,793 were ordered paid.

Admit Outside Teachers

On recommendation of Superintendent H. Edgar Riegle, the board voted to allow the Millersville State Teachers' College to send student teachers into the local schools.

Mr. Riegle also reported on the "tremendous success" of the day of orientation held for the district's 21 new teachers on August 27. He also reported on the meeting held

for all teachers the day before school opened. He submitted enrollment reports for all grades and buildings, already published.

Mr. Riegle also secured board approval on these lists of approved substitute teachers for grade and high school: High School, John Anderson, Bernice Bailey, Mrs. Mary Lou Burkholder, Mrs. Dorothy Craver, Mrs. Raymond Davis, Mrs. Betty Ecker, Mrs. Elizabeth Hull, Miss Ruth McIlhenny, Mrs. Edith Reinhart and Mrs. Louise Slichter. For Grade school: Mrs. Thomas Arnold, Mrs. Maybelle Porney, Mrs. Ann Freed, Mrs. Suzanne Harbach, Mrs. Martha Kilinger, Mrs. Margaret Kohler, Mrs. Gladys McCauslin, Mrs. Donna Madison, Mrs. Anna K. Marling, Mrs. Sally Musselman, Mrs. Grace Ogden, Miss A. Grace Sachs, Mrs. Margaret N. Scott, Mrs. George J. Wolfe and Mrs. Jean Zundel.

Other Business
On recommendation of the property committee, the board agreed to the erection of a sign in front of the high school by the Athletic Boosters Club giving football schedules. The sign and its site will be subject to the approval of the property committee.

Riegle invited the directors to inspect the coal bin at Meade School which has been transformed into a class room. "We got a lot for our money there," he remarked.

A meeting of the joint transportation committee was announced for September 20.

Christ Lutheran congregation was granted permission to use Keefauver cafeteria for a congregational dinner October 23. Richard Krick was given permission to use the Keefauver School lobby for a private showing of his paintings September 29 and the county superintendent's office was granted use of a high school classroom for a teachers' course in "Professional Practicum" to be presented the first semester by Shippensburg State Teachers College.

Treasurer Reports
A letter of appreciation for "consideration and courtesies" extended to her by the school board was read from Miss Ruth McIlhenny who retired this year as a high school teacher.

The monthly report of the school district treasurer, the Gettysburg National Bank, showed a current balance in the general fund of \$13,408. Tuition payments in the last month totaled \$15,000 and expenses totaled \$31,362.

Mr. Folkenroth was given permission to attend a forthcoming national convention of elementary principals.

The annual audited report for the high school cafeteria, filed by the board Monday evening, showed receipts exceeded costs last year of \$4,330 which goes into the cafeteria fund for replacement of equipment. Lunches brought in \$23,589; other sources, \$20,768, and lunch and milk subsidies, \$7,865. Labor costs totaled \$10,579; food, \$35,049 and other costs, \$2,264.

The report for the Keefauver cafeteria showed \$20,873 from lunches; \$4,050 from other sources; \$6,001 from lunch and milk subsidies; \$7,728 spent for labor; \$19,441 for food and \$999 for other expenses. A profit of \$2,757 was reported for the cafeteria fund.

various improvements made to the YWCA as a result of the renovation program which began July 1 and ended last week, after which the directors went on a tour of the building.

Among major changes is the re-pointing and cleaning of the exterior walls; changes in the office part of the building; installation of new first floor toilet facilities; changes in the second floor Y-Teens game room, installation of a new kitchen and general renovations throughout the entire structure.

Activities Reported
Mrs. Arthur Rice reported for the Y-Teens and Mrs. Albert Bachman outlined a program of activities for the year. Among planned activities are the first meeting of the Golden Age group September 25. The Golden Age group is open this year to both men and women over 60 years of age.

Mrs. Bachman also reported on plans for an "Open House" to be held at 8 p.m. on Thursday, October 24.

Mrs. Hadwin Flishe urged more persons to become members of the YWCA at annual dues of \$1.50.

It was announced that a meeting of the general public and public affairs committee on the theme "The Work of Congress to the Present Date" will be held September 19 at 2 p.m. at the YWCA.

Letters Of Estate Are Granted Here

Letters testamentary have been granted by the register and recorder to Eva J. Garretson, Dillsburg R. 1, and Lois A. Peterson, Towson, Md., executrices in the \$4,800 estate of A. M. Taylor, late of Menallen Twp., who died at Towson, Md., on August 30 at the age of 92.

The will states that a son, Bruce B. Taylor, now deceased, is to receive \$1,600; a daughter, Eva J. Garretson, \$1,550; and another daughter, Lois A. Peterson, \$100 and the title to "the home." The remainder of the estate is to be divided among the three named children.

Taneytown Youth Pays 2 Code Fines

Donald T. Baker, 21, Taneytown, was apprehended late Saturday night by Hanover police near Forest Park after a chase and charged with two motor code violations on which he paid fines of \$10 each and costs at a hearing before Justice of the Peace William Y. Nail Jr., Hanover. He was arrested on charges of reckless driving and passing other vehicles at intersections. Richard L. Crushong, 22, Taneytown, owner of the car driven by Baker, was charged with permitting the violation to occur. He paid a fine of \$25 and costs at his hearing before Nail.

Other motorists apprehended by Hanover police over the weekend for motor code and local traffic violations were reported as Dorothy E. Topper, New Oxford R. 2, stop sign, and Mrs. Carrie E. Foreman, McKnightstown, signal light. Police filed the charges with Nail.

Three Are Killed Within 19 Hours

WILLIAMSPORT, Pa. (AP) — Harry T. Sones, 48, of Hughesville, became Lycoming County's third fatality in 19 hours when he was thrown from his car and killed when it passed over his body.

Sones was driving home from work yesterday when his auto collided at a rural intersection, a mile north of Muncy, with a car driven by Mrs. Dorothy Louise Shoemaker, 19.

Mrs. Shoemaker, also driving home from work alone, was admitted to Muncy Valley Hospital in fair condition with a fractured shoulder and severe body bruises.

CARRIE OVER OCEAN; DEBBIE HEADING NORTH

MIAMI, Fla. (AP) — The season's third hurricane crept along its west-northwest course over ocean wastes today, twice as nasty with half the distance to go to the general vicinity of land areas.

Hurricane Carrie was located at 6 a.m. (Atlantic Standard Time) 975 miles east-northeast of San Juan, Puerto Rico. An advisory from the U.S. Weather Bureau at San Juan said the storm was carrying 160-mile an hour peak winds and moving west-northwest at 9 m.p.h. It was expected to increase to 10 m.p.h. the next 12 hours.

If Carrie stayed on course—a prospect which could not be guaranteed—it would pass San Juan 300 to 400 miles to the northeast and find additional hundreds of miles of open sea in its path.

Miami, nearest U. S. mainland point to the hurricane, is about 1,000 miles west-northwest of San Juan.

Tropical storm Debbie, which formed in the Gulf of Mexico after Carrie was discovered, blew northward over Georgia and the Carolinas after pounding Florida with heavy rain and 35-45 mile winds Sunday.

Truck Driver Foils Stick-Up Attempt

PHILADELPHIA (AP) — Charles Menkins, a truck driver from nearby Phoenixville, was having a last cup of coffee in a suburban diner yesterday when a new-comer flashed a pistol and said it was a holdup.

Menkins put down his cup and advanced slowly toward the gunman while six other customers looked on fascinated.

Face to face, Menkins, speaking as if to a child, said quietly: "Look, sonny, that's too big a gun for you to carry."

Menkins took the pistol. The gunman, startled and seemingly on the point of tears, bolted and made off in a car.

Later, based on an identification by one of the men in the diner, police arrested John E. King Jr. of East Whiteland Township and charged him with violating the Firearms Act and violation of parole.

King is 31. Menkins 26.

U.S. CALLS UPON U. N. TO ACT FOR HUNGARIANS

By MAX HARRELSON
UNITED NATIONS, N. Y. (AP)—The United States today called on the U. N. Assembly to place the Hungarian problem in the hands of a prominent world figure with broad authority to seek a solution.

The new plan sponsored by the United States and 35 other countries from all parts of the world, was presented to the U. N. a few hours before the 81-nation Assembly met in special session to consider new measures to aid the Hungarian people.

The resolution strongly condemned the refusal of the Soviet government and the regime of Hungarian Red leader Janos Kadar to heed previous U. N. appeals. It urged them to "desist from repressive measures against the Hungarian people."

Lodge To Open
Chief U. S. Delegate Henry Cabot Lodge, chief architect of the resolution, was scheduled to open the debate by presenting a mass of new evidence that repressive measures are continuing in Hungary.

The heart of the new plan was a provision that Prince Wan Waihayakon, foreign minister of Thailand and president of the General Assembly, be named special representative "to take such steps as he deems appropriate" to carry out the objectives of the U. N.

A spokesman for the U. S. delegation said this constituted a wide-open mandate under which he could "go where he wants and do what he thinks best."

He said, in response to a question, that as far as the United States was concerned this certainly would include Moscow.

Basel, Switzerland, which is 500 miles from the sea up the Rhine River, takes in and moves out about 4 million tons of overseas ship cargo each year.

SYRIA CHARGES ON WARSHIPS DENIED IN D. C.

DAMASCUS, Syria (AP)—Syria charges U. S. warships are waging a war of nerves against this Middle East nation to create an excuse for American aggression. A Syrian army spokesman claimed yesterday that five U. S. warships approached Syria's coast Sunday. He said two unidentified jet fighters flew over the port of Latakia yesterday.

The Syrian army is determined to "resist these provocations by cold nerves," he declared. He added that Syria so far had made no protest to Washington.

Denial At Washington
In Washington, a U. S. Navy spokesman denied that any American vessels are operating in the immediate vicinity of the Syrian coast. He said the bulk of the U. S. 5th Fleet is in the Aegean Sea between Greece and Turkey. This would be at least 500 miles from the Syrian coast.

The American official said some U. S. destroyers might have been cruising in the eastern Mediterranean in recent days, but he asserted none had been in sight of the Syrian coast.

Syria's charge was linked with Secretary of State Dulles' statement Saturday. Dulles reported on a White House conference in which President Eisenhower urged the Syrian people to act to ease the fear of Communist-inspired attacks by Syria on its neighbors.

"No sooner was the Dulles statement on Syria announced," the Syrian spokesman said, "than provocative, irritative operations were begun with the aim of stirring Syria into taking such measures as to be used as a pre-

text to launch aggression against her.

"Five U. S. warships yesterday approached the Syrian coast in a way that constitutes an open challenge and violates international protocol. Furthermore, two unidentified jet fighter planes today (Monday) flew at an extremely high altitude over Latakia port."

License Suspended For Fake Stamps

HARRISBURG (AP)—A 30-day license suspension against the Beck Distributing Co. of Lewisburg became effective yesterday. The firm was charged by the state with selling cigarettes bearing counterfeit tax stamps. A Justice Department spokesman said that the \$50 wholesale license and 140 \$1 vending machine permits held by the owner of the company, Harry T. Beck, had been recalled for the suspension period.

The suspension was originally scheduled to be effective Aug. 5 but was postponed to allow a hearing on the case. It was reimposed on Aug. 22 to be effective yesterday.

The special board that conducted the hearing upheld the charges against the Lewisburg firm.

SYRIA CHARGES ON WARSHIPS DENIED IN D. C.

DAMASCUS, Syria (AP)—Syria charges U. S. warships are waging a war of nerves against this Middle East nation to create an excuse for American aggression.

A Syrian army spokesman claimed yesterday that five U. S. warships approached Syria's coast Sunday. He said two unidentified jet fighters flew over the port of Latakia yesterday.

The Syrian army is determined to "resist these provocations by cold nerves," he declared. He added that Syria so far had made no protest to Washington.

Denial At Washington
In Washington, a U. S. Navy spokesman denied that any American vessels are operating in the immediate vicinity of the Syrian coast. He said the bulk of the U. S. fleet is in the Aegean Sea between Greece and Turkey.

This would be at least 500 miles from the Syrian coast.

The American official said some U. S. destroyers might have been cruising in the eastern Mediterranean in recent days, but he asserted none had been in sight of the Syrian coast.

Syria's charge was linked with Secretary of State Dulles' statement Tuesday.

White House conference in which President Eisenhower urged the Syrian people to act to ease the fear of Communist-inspired attacks by Syria on its neighbors.

"Provocative Operations"

"No sooner was the Dulles statement on Syria announced," the Syrian spokesman said, "than provocative, initiative operations were begun with the aim of stirring Syria into taking such measures as to be used as a pre-

License Suspended For Fake Stamps

HARRISBURG (AP)—A 30-day license suspension against the Beck Distributing Co. of Lewisburg became effective yesterday.

The firm was charged by the state with selling cigarettes bearing counterfeit tax stamps. A Justice Department spokesman said that the \$50 wholesale license and 140 \$1 vending machine permits held by the owner of the company, Harry T. Beck, had been recalled for the suspension period.

The suspension was originally scheduled to be effective Aug. 5 but was postponed to allow a hearing on the case. It was reimposed on Aug. 22 to be effective yesterday.

The special board that conducted the hearing upheld the charges against the Lewisburg firm.

text to launch aggression against her.

Five U. S. warships yesterday approached the Syrian coast in a way that constitutes an open challenge and violates international protocol.

Furthermore, two unidentified jet fighter planes today (Monday) flew at an extremely high altitude over Latakia port.

WARNS PILOTS TO LEARN USE OF INSTRUMENTS

By BOB HOLTON
HARRISBURG (AP)—A State Aeronautics Commission official today advised private pilots who lack instruments flying know-how.

"Either learn to use the instruments of stay at home when the weather looks threatening," John W. MacFarlane, executive director, blamed the "great majority" of private plane accidents in Pennsylvania and the nation on "those non-instrument rated private pilots who over-extend themselves."

"Instead of heading for the nearest landing strip when they see bad weather blowing many get cocky and try to fly above the clouds or clouds," he said.

"Then when they try to come down they crash into mountains or other barriers because they don't know enough about instrument flying in the blind."

Called "Needless Mishaps" "As long as these fellows continue to over-extend themselves, we will continue to have needless airplane accidents," he added.

Qualified pilots can fly planes with all outside vision cut off by using instruments.

During the first six months of this year there were 90 private plane accidents over Pennsylvania. These crashes killed 11 persons, seriously injured 10 more and lightly injured 11.

Commission records show that at this same time last year 7 persons had been killed in 72 private plane accidents in Pennsylvania. The record high accident and air fatality year was 1947 when 57 persons were killed in 210 accidents.

Thus, the commission attributed to the large number of veterans taking flying lessons under GI benefits.

MacFarlane said Pennsylvania has the best ground system of radio and other communication for instrument flying in the nation.

MAINE ABANDONS SEPTEMBER VOTE IN REFERENDUM

By BILL LANGZETTEL
PORTLAND, Maine (AP)—Maine has abandoned its first-in-the-nation September election date to join the 47 states that ballot in November.

The decision ending a tradition 137 years old was taken in a special referendum election yesterday.

About a fifth of the half-million registered voters participated.

The change will be effective in 1958.

And starting in 1960, Maine governors will serve four-year terms with a limit of two elected terms. Now the term is two years and there is no limitation. No governor, however, has served more than two terms.

Other Amendments
The constitutional amendments were among five referendum issues approved in the special election.

Another amendment permits pledging of the state's credit to guarantee mortgages on new industrial plants.

Two bond issues were ratified. One is for 24 million dollars to start paving Maine's share in the 1957 federal interstate highway program. The other raises 212 millions for state-owned ferries serving four Penobscot Bay islands.

Gov. Edmund S. Muskie (D) who campaigned in favor of all five issues, said he was delighted.

HARRISBURG (AP)—Gov. Leader today appointed William E. Gass Sunbury to the Selmsgrove State School Board of Trustees to succeed John P. Gillespie, Shamokin.

The explosion of the volcanic island of Krakatau near Java in 1883 produced tidal waves felt more than 8,000 miles away.

SERVES NOTICE ON REDS, SYRIA

WASHINGTON (AP)—Russia and Syria had notice today that the United States still is willing and able to meet force with force.

Determination to use American power if it becomes necessary was proclaimed in a major speech yesterday by the State Department's third-ranking official, Deputy Undersecretary Robert Murphy.

He addressed the annual conference of U.S. majors in New York City.

Murphy said:

"It would be unwise to underestimate the industrial and military power of our country, and to misinterpret our determination."

Officials said Murphy's speech was deliberately made to set the record straight so there would be no Communist miscalculation that the Middle East is a "weak spot" as Murphy put it, and ripe for plucking without American resistance.

Infirmary Patients Removed From Burning Church Home

HOLLIDAYSBURG, Pa. (AP)—Eleven infirmary patients were carried to safety last night when fire broke out in a 134-year-old wing of the Presbyterian Home. Another 47 residents, having supper in another wing, also were evacuated.

None of the residents, all women, was injured or suffered ill effects. The infirmary patients were taken to the Blair County Valley View Home in Altoona.

"Everything was very orderly and there was no hysteria," said the Rev. John Martin, superintendent of the home.

Fire Fight Several Hours
A patron discovered the blaze shortly after six p.m. in the ceiling of the ward section of the second floor of the brick structure. No one was on third floor, which is used for storage.

Members of the Hollidaysburg Volunteer Fire Company fought the blaze several hours. Damage was confined to an office, a guest room and the infirmary ward, all on the second floor.

The Rev. Mr. Martin said that at no time were three new wings endangered. The old section is connected by an enclosed passage with the newer wings one of which housed the dining room.

\$50,000 Damage
Fire Chief Harold McGunigal, who estimated damage at \$50,000, said the fire apparently resulted from defective wiring in a fixture between the second and third floors.

Evacuation of the infirmary patients was hampered when power failure halted an elevator. The patients were taken out quickly on stretchers by home employees and firemen.

Four of the patients were in the room where the fire started. They are Mrs. May Oaks of Belleville, Millin County; Mrs. Lucy Oswandel of Altoona; Miss Catherine Black of Newton Hamilton and Mrs. Nellie Noble of Orbisonia, both Huntingdon County.

The Huntingdon Presbytery of the Presbyterian R. N. C. maintains the home. It covers Clearfield Center, Millin Junction, Huntingdon, Bedford, Blair and part of Fulton Counties.

Normally the home houses 62 residents but four were away.

UNITED PAPER MAKERS AND PAPER WORKERS UNION TO FACE COURT

LOCK HAVEN, Pa. (AP)—Harold Sweeney, representative of District 50 of the United Mine Workers Union was held on \$300 bail to face court action next month on charges of assault and battery.

He is accused of being among a crowd of men that attacked Frank Grasso, Albany, N.Y., and Jerome Jones, Johnstown, when the two men were distributing leaflets. Grasso and Jones are officials of the United Paper Makers and Paper Workers Union.

Sweeney waived a preliminary hearing yesterday. In their complaint Grasso and Jones claim they were attacked and told to get out of town. Both were injured.

RAINFALL IS DISAPPOINTING

By THE ASSOCIATED PRESS
The Weather Bureau expressed disappointment today over the amount of rain which fell in the last 24 hours over Pennsylvania.

"Rainfall amounts were far short of the amount we might have expected from the weather situation we had on our hands yesterday," a bureau spokesman said.

Southern counties, the bureau reported, received generally less than 1/4 of an inch in the last 24 hours and northern counties received scarcely enough rain to measure.

Widely scattered showers continued this morning over most of the state with occasional showers forecast for the rest of the day and possible heavy thundershowers in widely separated sections late this afternoon.

The weather picture is expected to remain the same tonight and tomorrow.

Cloudy in the low areas with continued thundershowers was expected for tomorrow in most of the commonwealth.

Clear weather is expected to return to Pennsylvania with higher temperatures by Thursday.

SEEK BIG VOTE IN NOVEMBER

WARREN, Pa. (AP)—State Republican organization leaders have called on local officials to work for a big vote in November.

The appeal was made yesterday at the first of a series of regional meetings scheduled throughout the state. The Northwest Regional Political Activities Conference of the Pennsylvania Council of Republican Women sponsored the initial session, attended by 300.

Among those present were George I. Bloom, chairman of the GOP state committee, Mrs. Russell W. Dixon, national Republican committee member Jay Cooke of Philadelphia, one-time gubernatorial candidate Mrs. Ruth G. Fennell, GOP state vice chairman, and Rep. Carroll D. Kearns (R-Pa.).

During the first six months of this year there were 90 private plane accidents over Pennsylvania. These crashes killed 11 persons, seriously injured 10 more and slightly injured 11.

Commission records show that at this same time last year 7 persons had been killed in 72 private plane accidents in Pennsylvania. The record high accident and air fatality year was 1947 when 57 persons were killed in 240 accidents. This, the commission attributed to the large number of veterans taking flying lessons under GI benefits.

MacFarlane said Pennsylvania has the best ground system of radio and other communication for instrument flying in the nation.

SERVES NOTICE ON REDS, SYRIA

WASHINGTON (AP)—Russia and Syria had notice today that the United States still is willing and able to meet force with force.

Determination to use American power if it becomes necessary was proclaimed in a major speech yesterday by the State Department's third-ranking official, Deputy Undersecretary Robert Murphy. He addressed the annual conference of U.S. mayors in New York City.

Murphy said: "It would be unwise to underestimate the industrial and military power of our country, and to misinterpret our determination."

Officials said Murphy's speech was deliberately made to set the record straight so there would be no Communist miscalculation that the Middle East is a "weak spot," as Murphy put it, and ripe for plucking without American resistance.

Infirmity Patients Removed From Burning Church Home

HOLLIDAYSBURG, Pa. (AP)—Eleven infirmity patients were carried to safety last night when fire broke out in a 134-year-old wing of the Presbyterian Home. Another 47 residents, having supper in another wing, also were evacuated.

None of the residents, all women, was injured or suffered ill effects. The infirmity patients were taken to the Blair County Valley View Home in Altoona.

"Everything was very orderly and there was no hysteria," said the Rev. John Martin, superintendent of the home.

Fire Fire Several Hours
A patrol discovered the blaze shortly after six p.m. in the ceiling of the ward section of the second floor of the brick structure. No one was on third floor, which is used for storage.

Members of the Hollidaysburg Volunteer Fire Company fought the blaze several hours. Damage was confined to an office, a guest room and the infirmity ward, all on the second floor.

The Rev. Mr. Martin said that at no time were three newer wings endangered. The old section is connected by an enclosed passage with the newer wings, one of which housed the dining room.

\$50,000 Damage
Fire Chief Harold McGunigal, who estimated damage at \$50,000, said the fire apparently resulted from defective wiring in a fixture between the second and third floors.

Evacuation of the infirmity patients was hampered when power failed, halted an elevator. The patients were taken out quickly on stretchers by home employees and firemen.

Four of the patients were in the room where the fire started. They are Mrs. May Oaks of Belleville, Mifflin County; Mrs. Lucy Oswald of Altoona; Miss Catherine Black of Newton Hamilton and Mrs. Nellie Noble of Orbisonia, both Huntingdon County.

The Huntingdon Presbyterian of the Presbyterian R. Church maintains the home. It covers Clearfield, Centre, Mifflin, Juniata, Huntingdon, Bedford, Blair and part of Fulton Counties.

Normally, the home houses 62 residents, but four were away.

UNION OFFICIAL TO FACE COURT

LOCK HAVEN, Pa. (AP)—Harold Sweeney, representative of District 50 of the United Mine Workers Union, was held on \$300 bail to face court action next month on charges of assault and battery.

He is accused of being among a crowd of men that attacked Frank Grasso, Albany, N.Y., and Jerome Jones, Johnsonburg, when the two men were distributing leaflets, Grasso and Jones are officials of

the United Paper Makers and Paper Workers Union.

Sweeney waived a preliminary hearing yesterday. In their complaint, Grasso and Jones claim they were attacked and told to get out of town. Both were injured.

RAINFALL IS DISAPPOINTING

By THE ASSOCIATED PRESS
The Weather Bureau expressed disappointment today over the amount of rain which fell in the last 24 hours over Pennsylvania. "Rainfall amounts were far short of the amount we might have expected from the weather situation we had on our hands yesterday," a bureau spokesman said.

Southern counties, the bureau reported, received generally less than 1/4 of an inch in the last 24 hours and northern counties received scarcely enough rain to measure.

Widely scattered showers continued this morning over most of the state with occasional showers forecast for the rest of the day and possible heavy thundershowers in widely separated sections late this afternoon.

The weather picture is expected to remain the same tonight and tomorrow.

Cloudy in the low areas with continued thundershowers was expected for tomorrow in most of the commonwealth.

Clear weather is expected to return to Pennsylvania with higher temperatures by Thursday.

SEEK BIG VOTE IN NOVEMBER

WARREN, Pa. (AP)—State Republican organization leaders have called on local officials to work for a big vote in November.

The appeal was made yesterday at the first of a series of regional meetings scheduled throughout the state. The Northwest Regional Political Activities Conference of the Pennsylvania Council of Republican Women sponsored the initial session, attended by 300.

Among those present were George I. Bloom, chairman of the GOP state committee; Mrs. Russell W. Dixon, national Republican committee member; Jay Cooke of Philadelphia, one-time gubernatorial candidate; Mrs. Ruth G. Fennell, GOP state vice chairman; and Rep. Carroll D. Kearns (R-Pa.).
